Re. Fire Sprinkler Work

Steve,

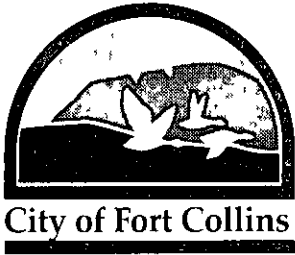

We have looked at how we could provide this service to the City. This is what we came up with. We would ask for a rate of \$35.00 per hour for labor and the current percentage the City is paying us for material (> \$500 8% / < \$500 10%). We have interviewed a pipe fitter that is experienced in this type of work and we would be willing to hire him as a part-time employee to help us with this work specifically. Because he would be a part-time/on call employee the hours may vary but we could commit to a 24-hour turn around on calls that come in, unless other arrangements are made. Bret would also be available for this work if needed. Our only concern would be access to buildings during non business hours if necessary. Please let us know your thoughts about this type of arrangement.

Sincerely,

Bret Dalton

Bret Dalton

Also, please increase
Fire Sprinkler work @ \$35.00
per hour for labor and current
material increases. *11/28*

Re Bid #5338 Plumbing Contractor - Annual

Bret Dalton Plumbing and Heating would like to accept the offer to renew our contract with the City of Fort Collins. We would like to ask for a 3.6% increase to cover the higher gasoline prices as well as the increased cost of living expense that we have experienced within the last year. Please contact us if this request is not acceptable.

Sincerely,

Bret Dalton
Owner
