Dear Mr Stephen:

Enclosed please find three signed and fully executed contracts, the original insurance, and a copy of the sales order for the July 4th fireworks in Fort Collins. Please keep these for your files, and return one of the contracts to us

I've also enclosed a site plan questionnaire to be completed and returned to me in the envelope provided, and your earliest convenience. Our insurance company requires us to keep this information on file.

Thank you for your confidence in our products and service. We are looking forward to working with you this season. We realize you have a choice in companies to provide your fireworks entertainment and we appreciate your confidence in Pyrotecnico. Feel free to call us anytime if you have any questions or concerns.

Sincerely,  
Pyrotecnico
