Hi Felix,

Can you send me the current pricing for the City of Fort Collins contract for Lincoln Center for 2011?

I know we are in Year 4 and the prices could go up by CPI index or 4% this year (whichever is less).

I hope you are doing well!

Thanks,

Ed

Ed,
Would you please verify the actual costs of the products we get from Hamilton Linen, as part of our deal with CSU? I know the prices have changed a little.
Thanks
