Importance: High

Doug,

Attached are; factory build sheet, option sheet, standard specification sheets, for the Ram SSV we have been discussing. Price breakdown as follows:

2014 Ram 1500 Crew Cab SSV (per state spec's), \$23,870.00

RamBox Cargo Management System, \$1,101.00.

Rear Window Defroster, \$128.00.

Extra Key/FOB (4 total with unit), \$250.00.

Total Unit Price, FOB, \$25,349.00 per unit.

I know you went over the available options but I would still like to suggest; 32 Gallon Fuel Tank, \$64.00; 3.92 Rear Axle Ratio (improves acceleration but decreases fuel economy), \$43.00; Anti-Spin Rear Axle, \$276.00; LT265/70R17E On/Off Road Tires, \$213.00; Protection Group (Frt. Suspension Skid Plate, T-Case Skid Plate, Tow Hooks), \$128.00; Trailer Brake Control, \$196.00.

Regarding the bed cover by BakFlip, I will do a "pass through". So whatever price you get I'll add to the purchase so you only have to issue one purchase order. The only additional charge would be install, if you want me to handle.

When you place the order, besides exterior color, I will also need to know if you want front bucket seats -like example vehicle I sent to you- or the 40/20/40 bench.

Mel
