## Lincoln Center Order for Gallery Pedestals - December 16, 2014

This order for gallery pedestals should be made according to the quote dated 11/19/2014 as follows:

- > 1/2" thick MDF pedestals (ready for priming and paint), with plexi vitrine cube placed on top into a groove with 2- screws countersunk flush to secure the plexi top.
- > Metal threaded hardware in MDF pedestals to accept security screws for vitrines.
- > Woodmasters will deliver the completed pedestals.

***Please invoice me for any deposit that is required before the order is started.***
