April 7, 2015

Dear ,

Thank you for your interest in the City of Fort Collins Art in Public Places Program. We were delighted to see that you entered several students' designs for consideration for the 2015 Pedestrian Paver Project. We are pleased to announce that the following students' designs were selected for this project:

Students whose drawings have been accepted will have their designs digitally scanned, enlarged, and sandblasted into a 16" granite stone paver. Their name will also be featured on the granite paver along with the drawing. The completed pavers will be placed in Fort Collins sidewalks.

Winning drawings/artists will receive a \$50 honorarium. **A letter and information for receiving the honorarium will be mailed to individuals whose drawings were selected.** We appreciate the time and effort you put into organizing the students and the submission of their designs. The APP program is excited to include their work in this project.

Unfortunately, due to the large number of drawings submitted, the Art in Public Places Program cannot always include all the work they would like. Please inform your students who were not selected this year.

Please share this with members of your staff who were instrumental in getting so many students to participate. If you have any questions, please feel free to contact the Art in Public Places Coordinator, Ellen Martin at (970) 416-2789 or by email at emartin@fcgov.com. For more information about the City's public art program, please visit the website at www.fcgov.com/artspublic

Sincerely,

A handwritten signature in black ink that reads "Gerry S. Paul". The signature is written in a cursive style.

Gerry S. Paul
