Dear,

Thank you for your interest in the City of Fort Collins Art in Public Places Program. We were delighted to see that you entered several students' designs for consideration for the 2015 Pedestrian Paver Project.

Unfortunately, due to the large number of drawings submitted, the Art in Public Places Program cannot always include all the work they would like. We regret to inform you that your students' work was not chosen for this year's pavers. We hope that you will continue to encourage student participation in the project in the future.

Please share this with members of your staff who were instrumental in getting so many students to participate. If you have any questions, please feel free to contact the Art in Public Places Coordinator, Ellen Martin at (970) 416-2789 or by email at [emartin@fcgov.com](mailto:emartin@fcgov.com). For more information about the City's public art program, please visit the website at [www.fcgov.com/artspublic](http://www.fcgov.com/artspublic).

Sincerely,

A handwritten signature in black ink that reads "Gerry Paul".
