The SoloRider comes with an extensive list of standard features including,

Four wheel automotive suspension including shock absorbers for the smoothest possible ride.

18x8.5-8 tires, ribbed on front and turf tread on rear for good control with no turf damage.

Low ground pressure of approx. 7 psi; less than that of a riding greens mower or a person standing.

(3) 12 Volt Deep Cycle Batteries for Long Life

Multi orientation swivel seat with infinite locking positions

Waist and chest belts to secure the driver safely in the vehicle.

Transfer bars for easier transfer into and out of the car.

Front golf bag holder for easy access to golf clubs and including crutch holders.

Low center of gravity to allow safe, secure traverse of sloping terrain.

Graziano transaxle with Advanced DC motor for reliable, long life.

36V microprocessor controller with regenerative speed control to prevent runaway even on slopes.

Ground clearance of 6 inches to allow traverse of curbs, tree roots, bunker lips, etc.

Operator amenities including dual cupholders, seat and dash storage and waist and chest belts

Dual hand controls with ergonomic brake and accelerator control levers.

Automatically applied and released parking brake for maximum control and ease of use.

The Electric Stand-up seat allows rider to position themselves from seated to standing.

20 AMP, 36 Volt Battery charger pn 80032 included in price.

Limited Warranty Periods

Frame	5 Years
Drive Train	3 Years
Batteries & Tires	Not Covered*
All Other	1 Year

* Batteries & Tires are covered by manufacturer's warranty.

Payment Options

Payment Must be received before unit will be shipped.

Delivery

Your cart will be delivered via Truck with a Lift Gate, so there are no special unloading requirements.

The Carts are fully charged and tested before delivery and are Ready-To-Go when they arrive.

* Notes on Finish

Although we exercise every effort to protect the carts "show like" condition during the build process the nature of the solid plastic body panels tend to show very minor surface abrasions.
