Dear Mike,

Following is the new pricing you requested.

Item	Description	Cost Each	Qty	Total
KL450	6x500 Watt Knight Light Tower	\$ 5,236	4	\$ 20,944
Labor	Mounting for the KL450	\$ 780	5	\$ 3,900
Grand Total				\$ 24,844

The labor reflects us mounting one light you currently have, in addition to the lights you purchase. It does not include labor or parts if any of the mounting locations require any reinforcement. The KL450 pricing reflects a 12% discount off of 2001 list price for a total of four lights.

We will start installations the week of February 4<sup>th</sup>. In most cases we will be able to turn the installation in a day, provided the units are in Loveland between 7-8 am. The above prices are good for 90 days.

If there are questions you have on this, please feel free to contact me at 1-800-797-7974.

Sincerely,

Brad Thielman
