Subject: Drywall - Bid #5653

John,

After review of Bids, please accept our recommendation to award the contract to Cottonwood Drywall.

Genesis Worldwide numbers on the bid form were incorrect, making Cottonwood the low responsive & responsible bidder.

Cottonwood's mark-up rate on materials >\$500.00 was more than the maximum 8% the City will pay. I discussed this with Les Powers and he has agreed to set their mark-up rate at the 8% level.

Should you have questions, please contact me via your preferred method. SLS
