Thank you for the opportunity to bid for your upcoming event. Lopiano's Catering has been Catering for 14 years. We specialize in Theme Events. We will decorate the food tables with Fall fabrics and locally grown pumpkins, squash, and gourds. We can set up a double sided Buffet table or food stations around the room.

Our staff will restock buffet lines, remove dishes, and assist guests to composting receptacles. We would be happy to meet with you to diagram room set up and help you decide the best Lay out of the food. We plan to use recycled napkins and reusable dishware.

Lopiano's Catering has worked many events at the Ft. Collins Senior Center. We are familiar with the rules and requirements of using the kitchen and we have worked with Stephanie on several occasions.

Lopiano's buys locally grown food whenever it is in season. We will also use organic food if available.
