

Window King Services

Commercial Properties

Window King provides a discount for the opportunity to service several of your properties. This includes office buildings, retirement homes, apartment complexes, auto dealerships, banks, restaurants, city / county / military base facilities, shopping malls, convenience stores, and more.

Small Businesses

Maintaining your windows on a regular basis allows re light to shine in, thus giving your place of business a warm and friendly environment for customers. Window King assigns you a specific day each month to keep your windows shining throughout the year.

Residential Homes

We wear protective shoe covers in your home to respect your property. We clean all aspects of the window: screens, sills, tracks, and ledges. Window King provides a year round service plan to keep your windows sparkling and allowing the

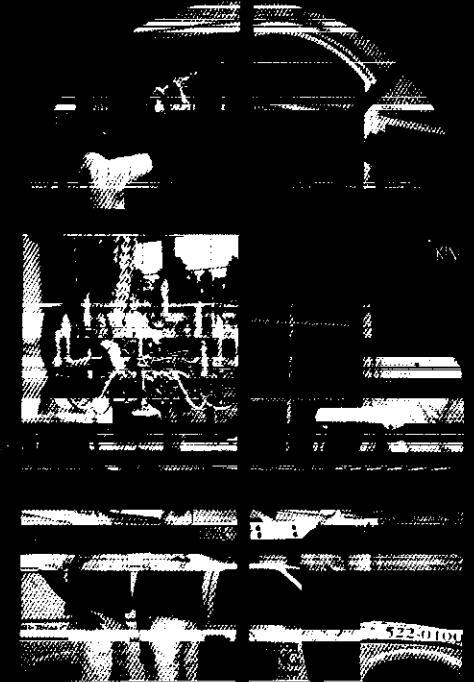

warmth of the light to create a warm environment. We also clean chandeliers, ceiling fans, outside lights, and those hard to reach gutters.

Construction Clean Up

Window King is prepared not only to do the construction clean of windows, but to do that final clean for building or new home construction. We do not scratch the glass and are prepared to final clean the building or new home properly. Customer satisfaction is guaranteed. ***We do stand behind our work.***

Allow us to put some
**sparkle* into your
