

EXHIBIT C

BID #5660 NIX FARM ASBESTOS ABATEMENT

BID SCHEDULE

Our firm will remove asbestos containing materials by competent persons trained, knowledgeable and qualified in the techniques of asbestos abatement. This includes the handling and disposal of asbestos-containing and asbestos-contaminated materials and the subsequent cleaning of contaminated areas. The Contractor must comply with all applicable federal, state, and local regulations and be capable of performing the work specified in this Contract.

1. Removal of asbestos-containing thermal system insulation (TSI) materials and contaminated soils from the basement and crawlspaces areas below the main house level within full containment.

Lump Sum \$ 7,500.00

2. Per cubic foot price for contaminated soils removal

100 cubic foot X \$ 18.00 per C.F. = \$ 1,800.00 Total

Bid Alternate - a bid price is requested for a possible alternate material located on the second floor (wall texture). The option for removal of this material is at the sole discretion of the Owner.

Lump Sum \$ 2,650.00
