Thanks John,

Do you have the bidders list of who all recived the bid and who you faxed the addendum to? Also. Paul Donovan of Autumn Tree Service asked if you could re=fax the pruning bid to him because it did not make it the first time. His fax is 498-8384..this is also a phone line for his business.

>>> John Stephen 02/15/02 04:26PM >>>

yes it is adequate...we went ahead and faxed this out to the ones who have a fax number. Try to call the rest for fax numbers. John

Thanks!
