

Addendum To the 2002 Stump Grinding Bid (#5669)

Under the section titled Specifications, Item number 1 will be modified to read:  
"Grind street and cemetery tree stumps to a depth of 19 inches, or to the bottom of the sub-surface stump, whichever comes first; park tree stumps will be ground to a minimum depth of 14 inches." Exceptions to these depths can be made and approved by the Assistant City Forester as necessary in the field.

Street Trees	\$3.25/inch
Park Trees	\$5.10 /inch
Cemetery Trees	\$1.62/inch
