**Addendum to Fax Quote #16210 – Sumitomo Gear Box**  
**Date 4/2/03**

**To clarify our Fax Quote Request sent out on 3/31/03 (response due in by 3:00 p.m. Thursday April 3):**

**The Sumitomo Gear Box we are requesting your bid on is a Sumitomo Paramax, Model #PX8055-P3-YD-RLV-31.5. This is the same unit as the one we bought last year, off a Fax Quote that closed on 5/29/02. The serial number on that unit is VA0082322. So, tell Sumitomo you want the same unit as this one.**

**The new unit will replace a U.S. Motor Synchrogear, ID# D7012845; same as the one last year did.**

**The Sumitomo rep in Denver assured Ron Hoffman, Plant Maintenance Supervisor at the Drake Water Reclamation Facility, that this was all the information that would be needed to bid on this item.**

**I hope this helps to clarify things for your bid. I am sorry for any confusion this may have caused. Please fax your responses to (970) 221-6707.**

**If any questions, please call me at (970) 416-2247.**
