Please renew the contract with Meter Treater Inc. and the contract with Betz Transformers Inc. We are not using the number of surge suppressors we expected to but should keep the contract open if we need to order additional units. Betz performance is outstanding.

Tim, we have two more contracts that are ready to renew. Those contracts are:

1. P-625 - Surge Suppressors
Term: 7-01-00 to 6-30-01 - 3rd year
Vendor: Meter Treater Inc.

2. P5296 - Transformer Repair
Term: 7-1-00 to 6-30-01 - 3rd year
Vendor: Betz Transformers Inc.

Please advise if service has been satisfactory and if you wish to renew.
