David,  
The location of the existing furniture at CSU, Lory Student Center lower level access through Book Store from north west entry. Furniture located out side of the Book store north east exist at lower level main corridor.

Please see the attached for additional info.

Hi Steve and David,  
I need some claification on installing the site furniture.S1,S2, and S3. **The owner will fasten to the concrete.**  
Is this to be "embedded" or attached to ---- is the surface concrete? or other?  
Please let me know the answer to this and the other questions asap.  
Thanks,  
Margie

Hi Steve and David,  
I have a few more questions.  
1. How long after the bid opening will the job be awarded? 2 weeks.  
2. Do we need to submit the finish samples and fabric samples with the bid document or after it is awarded? If it is what was spec'ed after the awarded.  
3. Do you need the warrenty information with the bid document or after the award? Need this with the bids.  
4. How many copies of the Bid Response do you need? 3 each.  
5. When do you need the Notorized "No Asbestos" statement with bid or after award? With the bids.  
6. Please Clarify the Reinspection Fees? No Fee.  
7. Who determines what the 5% Hardware is? Disregard.  
Thank you,  
Margie

Hi Steve,  
I was wondering when and where I could see the seating to be reupholstered and the table tops to be relaminated.

Also please clarify if all chairs are armless unless otherwise specified, C3, C4, and C5.

Thanks,  
Margie

Steve,

Please provide responses to me for questions 6 & 7 and Margie's first question per previous e-mail dated 3/27.

Purchasing's answers to other questions are as follows:

1. Approx. 1 week after bid opening for selection. Work to begin after signed services agreement is received.
2. After bid is awarded.
3. After bid is awarded.
4. One copy.
5. After bid is awarded.

Let me know if okay.

Thanks,  
David

Steve,

Following-up on our conversation today, to avoid extending the bid close date, we need all information and answers to questions for bid addendum by tomorrow morning so we have enough time to prepare and post.

If not, the bid close date will need to be moved from Friday 4/7 to at least Friday 4/14 since we allow a minimum of 1 week for potential bidders to respond to addendum.

We would like to avoid extending if possible so will not affect vendors being able to meet the required installation completion date of July 27, 2006, which could already be tight.

Thanks,  
David

Steve-

I have called and confirmed that seats C3 **WILL** have arms and are stackable, also we would like to go **WITHOUT** arms for seats C4 and C5.

For the tables, we need to change the model # for tables T1, T5 and T6 from 10300 to **10500**, and change the table height for table T1 and T6 from 24 3/4" to **29"**.

This should complete the items I have for addenda #1, thanks!  
Jay
