NOTICE OF HEARING

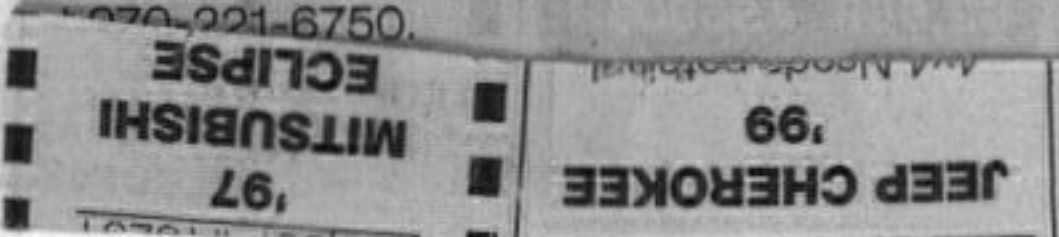

On Thursday, December 2, 2010 at 4:30 p.m., in the Venti Conference Room (second floor) at 281 North College Avenue, Fort Collins, Colorado, the City of Fort Collins Hearing Officer will conduct an administrative public hearing to consider a development proposal in your neighborhood. The project is referred to as Rolland Moore Clearwire, Wireless Telecommunication Facility, Project Development Plan, #24-10.

This is a request for the construction of a new seventy (70') foot high wireless telecommunication pole and ground equipment at Rolland Moore Park located adjacent to the northeast baseball field. The proposed structure will replace an existing ball field light pole and will look similar to the existing ball field light pole with a slight increase in diameter. This project also includes a proposal for an eight (8') foot high chain link fence adjacent to leftfield with an interior mesh screening. The site is zoned POL, Public Open Lands, and Wireless Telecommunication Facilities are permitted, subject to an administrative review and public hearing.

The list of affected property owners for this

public meeting is derived from official Larimer County Assessor records. Because of the lag time between occupancy and record keeping, or because of rental situations, a few affected property owners may have been missed. Please feel free to notify your neighbors of this pending meeting so all neighbors may have the opportunity to attend.
