RE: Windtrail P.U.D.
Project No. 10-770-000

Dear Mr. Hamdan:

The preliminary drainage report which was submitted for the Windtrail P.U.D. included both the townhomes section (Phase One) and the single family section (Phase Two). Therefore, there will not be a drainage report submitted separately for just the single family portion.

If you have any questions, please feel free to call me.

Sincerely,
