Mr. Gordon F. Clyde
Chief Building Inspector
City of Fort Collins
Fort Collins, Colorado

Dear Mr. Clyde:

It appears that the Trailer Park on the above described land was there in 1946 but our records do not indicate this as a positive fact.

Our records do indicate that a Trailer Park on the above land was re-appraised in 1957 so we are certain it was there some time before this date.

Yours very truly

W. D. Kramer
