Bill Pigg from the Nenann company, who we just spoke to, said he sent that release email two weeks ago.

Can I request that we release Nenann and:

Add MPB Contractors 3155 North Cambers ave, Aurora co 80011.

To the permit request on behalf of Stone Creek Plaza, LLC?

A person by the name of Kyle will be there to pick it up. He represents the new contractor.

Let me know if this will suffice.

Thank
