PUBLIC NOTICE

Notice is hereby given that the Ethics Review Board of the City Council of the City of Fort Collins ("Board"), having met on March 26, 2015, and considered pursuant to Section 2-569(d)(1)(b) of the Municipal Code of the City of Fort Collins, a complaint filed with the Board by Michael Pruznick regarding certain alleged violations of the Colorado Fair Campaign Practices Act (the "Complaint"), along with related authorities and information presented to the Board and available to the Board as a matter of public record, has determined that the Complaint does not warrant further investigation pursuant to Section 2-569(d)(1)(b).

The Board's determination was based on the reasoning that the Fair Campaign Practices Act provisions at issue are state campaign laws enforceable by officials of the State of Colorado, and are not ethical rules within the purview of the Board.

Published and posted this 27th day of March, 2015.
