

ORDINANCE NO. 018, 2007
OF THE COUNCIL OF THE CITY OF FORT COLLINS
AMENDING CERTAIN PROVISIONS OF THE CODE OF THE
CITY OF FORT COLLINS PERTAINING TO SIGNS IN THE RIGHT-OF-WAY

WHEREAS, Section 24-1 of the Code of the City prohibits the placement of signs on public streets, sidewalks or other areas owned by the City; and

WHEREAS, similarly, Section 17-42 of the Code prohibits the attachment of signs to publicly owned fixtures in the public right-of-way or elsewhere, and

WHEREAS, Section 17-42 of the Code also prohibits the placement of signs on private property without the permission of the property owner; and

WHEREAS, only one such Code provision is needed to address these subjects; and

WHEREAS, Section 17-42 of the Code should be reworded so that it addresses more clearly signs installed or otherwise placed in the ground in the public right-of-way as well as handbills or fliers attached to publicly owned fixtures; and

WHEREAS, Section 17-42 should also be revised with regard to the manner in which the City may dispose of signs left unclaimed on public property or within the public right-of-way; and

WHEREAS, those persons or entities who illegally place signs in the right-of-way should not benefit from placing signs in the right-of-way in such a manner as to circumvent the intent and purpose of the 24-hour notice requirement; and

WHEREAS, certain additional changes should also be made to Section 17-42 to more clearly prohibit the placement of advertising materials on motor vehicles and residences without the consent of the owners of such property.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. That Section 17-42 of the Code of the City of Fort Collins is hereby amended to read as follows:

Sec. 17-42. Posting notices and handbills on premises.

(a) The following words, terms and phrases, when used in this Section, shall have the meanings ascribed to them in this Subsection (a):

Commercial or business sign shall mean any sign, flier, notice or poster intended to advertise, direct or attract the attention of the public to a business, or intended to

induce the purchase of goods, services, property or entertainment, or to promote business or employment opportunities.

Noncommercial sign shall mean any sign, flier, notice or poster which is not intended to advertise, direct or attract the attention of the public to a business, or intended to induce the purchase of goods, services, property or entertainment, or to promote business or employment opportunities, including but not limited to signs conveying a political, ideological or personal message.

Public property shall mean any portion of real property, pole, post, tree, barricade, bridge, fence, railing, utility box, curb, sidewalk, wall, bench, building or structure of any kind which is either publicly owned or located in the public right-of-way.

(b) No person, firm or corporation shall fasten or affix to public property, or place or install on or within a public right-of-way or other public property, any of the following without the direct authorization of the owner of such property:

- (1) Any commercial or business sign.
- (2) Any noncommercial sign.

(c) Any signs authorized by the City for placement on City property within the meaning of this Section must comply with all other applicable provisions of the Code.

(d) No person, firm or corporation shall fasten or affix to private property, including motor vehicles and other personal property, in any way, any of the following, without the permission of the owner or occupants of such property:

- (1) Any commercial or business sign.
- (2) Any noncommercial sign.

(e) Permission to fasten or affix signs to the front door of private residences shall be implied from the presence of an improved walkway connecting such residence directly to a public right-of-way unless:

- (1) Access to such walkway is physically restricted by a fence, gate or other permanent structure, or
- (2) A "No Trespassing" or "No Solicitation" sign or a sign prohibiting posting is posted at or near the entrance to such residence, or
- (3) The owner or occupant of a particular residence has notified the person or entity intending to fasten or affix the sign(s) that such signs may not be fastened or otherwise affixed to the residence.

(f) Except as provided in subparagraph (g) below, if the City Engineer determines that a commercial or business sign or noncommercial sign has been fastened, affixed, placed or installed in or on public property in violation of this Section, the City shall attempt to contact, by any reasonable means, the person or entity whose business, interests or activities are advertised, furthered or promoted by such sign and notify said person or entity that the sign will be removed by the City and summarily destroyed if not previously removed by said person or entity within twenty-four (24) hours of the notice. If such person or entity cannot reasonably be ascertained or if the sign is not removed within twenty-four (24) hours after notice is given by the City, the City may remove and destroy the sign without further notice, notwithstanding the provisions of § 23-130.

(g) Notwithstanding the foregoing, if: the circumstances under which a sign has been fastened, affixed, placed or installed are such that, in the judgment of the City Engineer, the sign creates a safety hazard, or if the sign is discovered by the City within the twenty-four (24) hour period immediately preceding a Saturday, Sunday, City holiday, or an election day to which the sign relates, the City need not attempt to contact the person or entity whose business interests or activities are advertised, furthered or promoted by the sign before summarily removing and destroying the sign.

(h) If, within ten (10) days after the City has given or attempted to give the notice referenced in paragraph (f) above, any sign advertising the same business, interests or activities that were the subject of the previous notice is subsequently found in violation of this Section, the City may summarily remove and dispose of the sign without additional notice, notwithstanding the provisions of § 23-130.

(i) Failure to remove a sign after notice has been given pursuant to subsection (f) is a violation of this Section.

(b) Notwithstanding the foregoing, nothing herein shall preclude the immediate disposal or destruction of property which in the judgment of the Chief of Police, or in the judgment of such other City service director whose service area has obtained the property, presents an immediate danger to the health, safety or welfare of the community if otherwise retained in the possession of the City for the period of time provided for herein or which by reason of its nature, condition or substance is not properly the subject of a sale.

(c) Nothing contained in this Section shall be construed to refer to any impounded animals as may be provided for in any other City ordinance.
