

ORDINANCE NO 80 1973
BEING AN ORDINANCE AMENDING ARTICLES I AND II OF
CHAPTER 112 OF THE CODE OF THE CITY OF FORT COLLINS
RELATING TO THE WATER AND SEWER UTILITY OF THE CITY
AND RATES FOR SERVICE FROM SUCH FACILITIES

WHEREAS the administration of the City has conducted a study relating to the anticipated capital improvement costs and operating costs to be incurred by the water and sewer utility of the City and

WHEREAS the Water Board has reviewed the data prepared by the City administration and has recommended rate increases for both the sewer and the water utility in order to meet the anticipated costs for such utilities and

WHEREAS the City Council has received the report of the Water Board and has further received the results of additional studies by the administration relating to this subject and

WHEREAS it appears that it is necessary to increase the rates for sewer service in the City at this time and

WHEREAS it further appears that the need to increase rates for water service can be deferred until the end of 1973 at which time the City expects to complete a study now underway on the rate structure of the water and sewer utility and

WHEREAS it appears that at such time it will be necessary to increase the revenue from the water utility by approximately 30 and that an additional increase of approximately 25 will be needed about January 1 1975 and

WHEREAS it appears to the City Council that the most feasible and equitable means of providing relief to the low and fixed income citizens and others with low water consumption needs would be to make water meters available without cost to those requesting the same

NOW THEREFORE BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS

Section That Section 112 105 of the Code of the City of Fort Collins be and the same hereby is amended by deleting therefrom subsections A B and C thereof and by substituting therefor the following

"A City flat rate water users (per month)

- "(1) Each living unit-gravity system, \$4 38
- ' (2) Each living unit-pump system \$5 25

'B City metered water users (per month) The charge for sewer service for each month shall be 114% of the current monthly bill for water service

"C Outside City metered water users

"(1) The charge per month for sewer service for one living unit shall be 166% of the average monthly bill for water service during the preceding months of January February and March but not less than \$16.66 per quarter

"(2) The sewer service charge for sewer service to other than one living unit shall be negotiated by the City Manager and approved by the City Council '

Section 2 This Ordinance shall be effective on October 1 1973 except that the change in rates set forth in Section 1B shall be effective on the first billing date after October 1 1973 for each customer of the sewer utility
