If the Association gives such notice, the term of this Lease Agreement shall be automatically extended for the additional period of each Extension Term without the necessity of executing any extension or renewal agreement. Notwithstanding the foregoing, this Lease Agreement may be terminated pursuant to Paragraph 6.

6. **TERMINATION.** The City shall have the right to terminate this Lease Agreement any time after any of the following conditions have occurred:

The City shall be entitled to record a notice of the termination in the Larimer County property records.

Upon termination of this Lease Agreement, the City shall reimburse to the Association a prorated portion of the annual rental payment paid in the year in which termination occurs for that portion of the year when the Lease Agreement is no longer in effect. Reimbursement shall be calculated by dividing the number of calendar days between the date of termination and the date the current lease year was to conclude by 365 multiplied by the annual rent as set forth in Section 8.

7. **REVOCABLE PERMIT.** Upon the execution of this Lease Agreement by the Parties, the "Revocable Permit for the Landowners' Association for Phantom Canyon Ranches on Certain City Lands in and Around Halligan Reservoir" dated June 1, 2016 ("Revocable Permit"), shall be deemed revoked and terminated and both Parties shall be released from their respective obligations thereunder.

8. **Rent.** During the Initial Term of this Lease Agreement, the annual rent (“Annual Rent”) shall be \$10,000.00 per year payable on or before the month and day on which this Lease Agreement is fully executed.

a. **Initial Payment:** Until the Lease Agreement is executed, the Association may at their sole discretion continue to make monthly payments prescribed by the Revocable Permit described in Section 7. The annual rent payment made in the first year of the Initial Term shall deduct any payments received under the terms of the Revocable Permit, such that the total payment in the first year of the Initial Term under both the Lease Agreement and Revocable Permit shall not exceed \$10,000.00.

b. **Rent Adjustments.** If the Association exercises its right to extend the Term of this Lease Agreement for one or both Extension Terms, the Annual Rent shall be adjusted at the commencement of each Extension Term to reflect changes in the “Price Index” as hereinafter defined. The adjusted Annual Rent shall hereinafter be referred to as the “Adjusted Annual Rent.” In applying the rent adjustment formula, the following definitions shall apply:

i. “Bureau” shall mean the Bureau of Labor Statistics of the United States Department of Labor or any successor agency that shall issue the Price Index referred to herein. The rent adjustment formula to be used to calculate the Adjusted Annual Rent for each Extension Term is as follows:

Revised Price Index divided by Base Price Index times the Annual Rent equals Adjusted Annual Rent.

Such coverage must include, without limitation, the insured’s liability for property damage, bodily injuries, and death of persons in connection with the Association’s activities on the Property and Reservoir (including acts or omissions of the Association or of its officers, employees, or agents), and protection against liability for non-owned and hired automobiles. All policies of insurance required hereunder must name the City as an additional insured, and shall

contain a provision that the policy or policies cannot be canceled or materially altered either by the insured or the insurance company until 15 days' prior written notice thereof is given to the City. Upon issuance or renewal of any such insurance policy, the Association shall furnish a certified copy or duplicate original of such policy or renewal thereof with proof of premium payment to the City. In the event the Association fails or neglects to maintain the insurance required by this paragraph, the City shall have the right, upon giving the Association reasonable notice of its election to do so, to take out and maintain such insurance at the expense of the Association, and in such event the cost of such insurance shall be paid for by the Association promptly upon receipt of an invoice covering such charges.

10. **INDEMNITY.** The Association agrees to indemnify and hold harmless the City, its officers, agents, employees, representatives, successors and assigns from all claims and liability, including the City's reasonable attorneys' fees and costs, for claims resulting from or arising out of the Association's use of the Property and Reservoir, and for any actions or omissions by the Association in violation of this Lease Agreement or in violation of any applicable law or regulation.

13. **FISCAL CONTINGENCY.** Notwithstanding any other provision of this Lease Agreement to the contrary, the obligations of the City in fiscal years after the fiscal year of this Lease Agreement shall be subject to appropriation of funds sufficient and intended therefor, with the City having the sole discretion to determine whether the subject funds are sufficient and intended for use under this Lease Agreement, and the failure of the City to appropriate such funds shall be grounds for termination of this Lease Agreement upon ninety one (91) days prior written notice of the failure to appropriate such funds.

14. **NO THIRD-PARTY BENEFICIARIES.** This Lease Agreement is entered into between the Parties for the purposes set forth herein. It is the intent of the parties that they are the only beneficiaries of this Lease Agreement and the Parties are only benefitted to the extent provided under the express terms and conditions of this Lease Agreement.
