

ORDINANCE NO. 054, 2017  
OF THE COUNCIL OF THE CITY OF FORT COLLINS  
APPROPRIATING PRIOR YEAR RESERVES IN THE GENERAL FUND  
FOR WASTE REDUCTION AND DIVERSION PROJECTS APPROVED  
AS PART OF THE WASTE INNOVATION PROGRAM

WHEREAS, in 2010, the City created the Waste Innovation Program (the "WIP") fund where revenues collected for the program are held in a reserve account in the General Fund; and

WHEREAS, the funds are used to administer grants that allow City departments to initiate new waste diversion and recycling projects with special attention to departments that have larger quantities of waste that is self-hauled to the Larimer County Landfill; and

WHEREAS, an interdepartmental group of employees reviews proposals for incorporating waste reduction, promoting recycling strategies, and awarding funds when requests are received from participating City departments; and

WHEREAS, in 2017 to date four applications have been received (requesting \$59,250 in funding) for waste reduction/recycling projects, ranging from the purchase of soils screening/recovery equipment to sanitizing systems that kill bed-bugs, which may be present in mattresses and couches that are "dumped" on City rights-of-way, thereby enabling some of these articles of furniture to be put back into use; and

WHEREAS, staff proposals that are submitted to the Waste Innovation Program during the remainder of 2017 will continue to be competitively reviewed and additional projects that are approved will be eligible for funding from the Waste Innovation Program; and

WHEREAS, Article V, Section 9, of the City Charter permits the City Council to appropriate by ordinance at any time during the fiscal year such funds for expenditure as may be available from reserves accumulated in prior years, notwithstanding that such reserves were not previously appropriated; and

WHEREAS, City staff have determined that the appropriations as described herein are available and previously unappropriated in the General Fund.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. That the City Council hereby makes and adopts the determinations and findings contained in the recitals set forth above.

Section 2. That there is hereby appropriated for expenditure from prior year reserves in the General Fund the sum ONE HUNDRED FIFTY THOUSAND DOLLARS (\$150,000) for waste reduction and diversion projects to be approved as part of the Waste Innovation Program.

Introduced, considered favorably on first reading, and ordered published this 18th day of April, A.D. 2017, and to be presented for final passage on the 2nd day of May, A.D. 2017.
