OF THE COUNCIL OF THE CITY OF FORT COLLINS  
AUTHORIZING THE CONVEYANCE OF AN AMENDED ACCESS EASEMENT AND  
A UTILITY EASEMENT ON CITY-OWNED PROPERTY AT GUSTAV SWANSON  
NATURAL AREA TO PUBLIC SERVICE COMPANY OF COLORADO IN EXCHANGE  
FOR THE DEDICATION OF LAND FOR TRAIL PURPOSES

WHEREAS, the City is the owner of property located along East Vine Drive on the north side of the Poudre River known as Gustav Swanson Natural Area (the "City Property"); and

WHEREAS, Public Service Company of Colorado ("PSCo") owns a regulator station on a parcel of land surrounded by the City Property (the "PSCo Property"); and

WHEREAS, former owners of the City Property conveyed the PSCo Property to PSCo in 1946 along with a fifteen-foot access easement across the City Property; and

WHEREAS, PSCo also owns gas and electric lines that cross the City Property to serve the PSCo property, but no easement of record has been located for either utility line; and

WHEREAS, the City is planning to construct a whitewater park on the north bank of the Poudre River, and the plans for the whitewater park call for creating a new twenty-foot access road for both public and emergency access that could also be used as access to the PSCo Property; and

WHEREAS, City staff would also like to have a formal easement with PSCo for its utility lines; and

WHEREAS, PSCo has agreed to amend its existing access easement to be along the new access road, and accept a new 50-foot utility easement for its utility lines; and

WHEREAS, the proposed realigned access easement is more particularly described on Exhibit "A", attached and incorporated herein by reference (the "Access Easement"); and

WHEREAS, the location and width of the proposed utility easement is shown on Exhibit "B", attached and incorporated herein by reference (the "Utility Easement"), and a legal description will be prepared prior to conveyance of the Utility Easement; and

WHEREAS, at its regular meeting on June 14, 2017, the Land Conservation and Stewardship Board voted to recommend granting the Easements to PSCo; and

WHEREAS, Section 23-111(a) of the City Code authorizes the City Council to sell, convey or otherwise dispose of any interest in real property owned by the City, provided that the City Council first finds, by ordinance, that such sale or other disposition is in the best interests of the City.

Section 3. That the Mayor is hereby authorized to execute such documents as are necessary to convey the Easements to PSCo on terms and conditions consistent with this Ordinance, together with such additional terms and conditions as the City Manager, in consultation with the City Attorney, determines are necessary or appropriate to protect the interests of the City, including, but not limited to, any necessary changes to the legal description of the Easements, as long as such changes do not materially increase the size or change the character of the interest to be conveyed.
