

ORDINANCE NO. 176, 2017
OF THE COUNCIL OF THE CITY OF FORT COLLINS
DECLARING CERTAIN CITY-OWNED PROPERTY CONSISTING OF A PORTION OF
TRACT A, PROSPECT INDUSTRIAL PARK, CURRENTLY OWNED BY THE CITY OF
FORT COLLINS FOR THE BENEFIT OF THE WASTEWATER UTILITY ENTERPRISE AS
ROAD RIGHT-OF-WAY FOR THE PROPOSED SHARP POINT DRIVE EXTENSION

WHEREAS, the City, for the benefit of the Wastewater Utility Enterprise, owns a certain property known as Tract A Prospect Industrial Park, a 1.9-acre parcel which was originally platted as a Public Access and Loading Easement in the 1970s; and

WHEREAS, a connection between Sharp Point/Midpoint and Nancy Gray has been on the City's Master Street Plan since 1998 and recent multi-use development in the area has made the connection a high priority for the City; and

WHEREAS, City staff is requesting that the City Council declare approximately 1.4 acres of Tract A as a right-of-way to facilitate the construction of Sharp Point Drive, and the remainder of Tract A will remain owned by the City for the benefit of the Wastewater Utility Enterprise; and

WHEREAS, Article XII, Section 6 of the City Charter requires that all revenues of the City's utilities be expended only for utility purposes determined by the Council to be beneficial to the ratepayers; and

WHEREAS, in exchange for converting 1.4 acres of Tract A to a General Fund purpose, the City's Engineering Department will work with Utilities staff to determine an appropriate location for a curb cut and drive approach to serve the parcel for potential future development and credit the Wastewater Utility Enterprise the value of repay and right-of-way dedication requirements upon development of the property for approximately \$100,000 in 2017 dollars; and

WHEREAS, converting a piece of property owned by the City in fee simple to right-of-way constitutes a conveyance of an interest in the property, as doing so creates certain public rights in the property that would not otherwise exist on City-owned property; and

WHEREAS, Section 23-111 of the City Code provides that the City Council is authorized to sell, convey or otherwise dispose of any interests in real property owned by the City, provided the City Council first finds, by ordinance, that such sale or other disposition is in the best interest of the City and, for property that is part of the City's water or utility systems, the City Council must also find that the disposition of the property will not materially impair the viability of the system as a whole, and will be for the benefit of the citizens of the City; and

WHEREAS, the City Council determines that converting 1.4 acres of Tract A to right-of-way to facilitate the construction of Sharp Point Drive is in the best interest of the City and will benefit the citizens of the City because construction of the road is a high priority to address traffic needs in the surrounding area; and

WHEREAS, the City Council determines that converting 1.4 acres of Tract A to right-of-

way will not impair the viability of the wastewater system as a whole, and is beneficial to the ratepayers of Wastewater Utility Enterprise because the Enterprise will be credited the value of repay and right-of-way dedication requirements.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. That the City Council hereby makes and adopts the determinations and findings contained in the recitals set forth above.

Section 2. That the City Council hereby declares that the real property described as Exhibit "A" shall constitute right-of-way for Sharp Point Drive and related improvements, including without limitation public utilities, pedestrian, transit and bicycle access and improvements, landscaping, and other such related purposes as may now or in the future be determined appropriate, and hereby finds that such declaration is in the best interest of the City.

Section 3. That the City Clerk shall cause this Ordinance to be recorded in the real property records of the Larimer County Clerk and Recorder's office once the Ordinance becomes effective in accordance with Article II Section 7 of the City Charter.
