COLLINS REGULATING MEDICAL MARIJUANA BUSINESSES TO ALIGN MEDICAL
MARIJUANA CODE PROVISIONS TO STATE LAW, RULES AND REGULATIONS

WHEREAS, in November 2012 voters approved a citizen-initiated ordinance regulating medical marijuana businesses which can only be amended by the voters; and

WHEREAS, on November 7, 2017, voters considered and approved a council-initiated ballot measure permitting Council to make amendments or additions to the City Code regulating medical marijuana businesses; and

WHEREAS, such amendments or additions must be current with the state laws, rules, and regulations governing medical marijuana businesses, and cannot be contrary to or eliminate any of the 2012 citizen-initiated provisions, except as provided in Section 15-491(b) (which allows the Council to lessen any restrictions contained in Article XVI of Chapter 15); and

WHEREAS, since 2012, state laws, rules and regulations regulating medical marijuana businesses have changed considerably, including the addition of new types of licenses and business ownership interests; and

WHEREAS, staff recommends updating the City Code provisions governing medical marijuana businesses to include the new state approved ownership interests, and the new license types including medical marijuana testing facility, medical marijuana research and development facility, medical marijuana research and development cultivation, and medical marijuana business operator; and

WHEREAS, staff also recommends eliminating the requirement to file a comprehensive business operation plan, instead specifying the elements of the security plan portion of the comprehensive plan to be added to the diagram of the licensed premises; and

WHEREAS, staff further recommends prohibiting medical marijuana transporter licenses and medical marijuana off-premises storage permits for public health and safety reasons related to potential criminal activity; and
