

ORDINANCE NO. 040, 2018
OF THE COUNCIL OF THE CITY OF FORT COLLINS
DECLARING CERTAIN CITY-OWNED PROPERTY AT
ARAPAHO BEND NATURAL AREA AS ROAD RIGHT-OF-WAY

WHEREAS, the City owns a parcel of property located at the northwest and northeast corners of the intersection of Harmony Road and Strauss Cabin Road known as Arapaho Bend Natural Area (the "Property"); and

WHEREAS, the City's Engineering Department is working on a project to signalize the intersection and make other improvements to accommodate additional vehicular and pedestrian traffic anticipated at the intersection due to new development (the "Project"); and

WHEREAS, to accommodate the Project, Engineering is seeking to convert approximately .105 acres of the Property to road right-of-way; and

WHEREAS, the portions of the Property to be designated as right-of-way are more specifically described on Exhibits "A-1" and "A-2", attached hereto and incorporated herein by this reference; and

WHEREAS, to establish a public record that this portion of the Property is intended for use by the City as right-of-way for a public roadway and related improvements, including without limitation public utilities, pedestrian, transit and bicycle access and improvements, landscaping, and such other related purposes as may now or in the future be determined appropriate, staff recommends that the City Council declare such property to be right-of-way; and

WHEREAS, converting property owned by the City in fee simple to right-of-way constitutes a conveyance of an interest in such property, as doing so creates certain public rights in the property that would not otherwise exist on City-owned property; and

WHEREAS, because the Property was purchased with dedicated Natural Areas tax proceeds, the Engineering Department will pay the Natural Areas Department \$1,558 for the value of the portion of the Property being converted to right-of-way, and compensation for staff time spent on the Project; and

WHEREAS, the Project will also benefit Natural Areas by installing a pedestrian crossing to connect residents living south of Harmony Road to the Property and signage to help direct pedestrian and vehicular traffic to the Property, undergrounding power lines that are currently overhead, and upgrading existing street lamps to a more ecological design; and

WHEREAS, at its regular meeting on February 14, 2018, the Land Conservation and Stewardship Board voted to recommend that the City Council approve the dedication of road right-of-way for the Project; and

WHEREAS, Section 23-111(a) of the City Code authorizes the City Council to sell, convey or otherwise dispose of any interests in real property owned by the City, provided the City Council first finds, by ordinance, that such sale or other disposition is in the best interests of the City.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. That the City Council hereby makes and adopts the determinations and findings contained in the recitals set forth above.

Section 2. That the City Council hereby declares that the real property described on Exhibits "A-1" and "A-2" shall constitute right-of-way for City streets and related improvements, including without limitation public utilities, pedestrian, transit and bicycle access and improvements, landscaping, and such other related purposes as may now or in the future be determined appropriate, and hereby finds that such declaration is in the best interests of the City.

Section 3. That the City Clerk shall cause this Ordinance to be recorded in the real property records of the Larimer County Clerk and Recorder's office once the Ordinance becomes effective in accordance with Article II Section 7 of the City Charter.

Introduced, considered favorably on first reading, and ordered published this 6th day of March, A.D. 2018, and to be presented for final passage on the 20th day of March, A.D. 2018.

Mayor

ATTEST:

City Clerk

Passed and adopted on final reading on the 20th day of March, A.D. 2018.

Mayor Bob Tem
