

ORDINANCE NO. 002, 2003
OF THE COUNCIL OF THE CITY OF FORT COLLINS
APPROPRIATING UNANTICIPATED GRANT REVENUE IN THE GENERAL FUND
FOR THE RADON PROGRAM AND AUTHORIZING THE TRANSFER OF MATCHING
FUNDS PREVIOUSLY APPROPRIATED IN THE NATURAL RESOURCES
OPERATING BUDGET TO THE GRANT PROJECT

WHEREAS, since 1995, the City has placed special emphasis on reducing radon in Fort Collins, where levels average above four picocuries per liter of air, the level at which the United States Environmental Protection Agency recommends action; and

WHEREAS, the Fort Collins radon program is part of the City's indoor air quality program, which is guided by the Air Quality Policy Plan with a goal to increase actions taken by residents to reduce exposure to indoor air pollution; and

WHEREAS, the current radon program includes an aggressive education program, a voluntary radon testing and mitigation program, and an ordinance requiring the distribution of radon information to all residential homebuyers at point-of-sale; and

WHEREAS, the City of Fort Collins has been awarded a grant from the Colorado Department of Public Health and Environment (the "CDPHE") in the amount of \$15,000; and

WHEREAS, the CDPHE grant funds are to be used to continue the radon education and testing programs; and

WHEREAS, the grant requires \$15,000 of City matching funds, which have been included in the 2003 Natural Resources budget for this purpose and are available for transfer to the CDPHE grant project; and

WHEREAS, Article V, Section 9, of the Charter of the City of Fort Collins (the "Charter") permits the City Council to make supplemental appropriations by ordinance at any time during the fiscal year, provided that the total amount of such supplemental appropriations, in combination with all previous appropriations for that fiscal year, does not exceed the then current estimate of actual and anticipated revenues to be received during the fiscal year; and

WHEREAS, City staff has determined that the appropriation of the CDPHE grant funds as described herein will not cause the total amount appropriated in the General Fund to exceed the current estimate of actual and anticipated revenues to be received in that fund during the fiscal year; and

WHEREAS, Article V, Section 10, of the Charter authorizes the City Council to transfer by ordinance any unexpended and unencumbered amount or portion thereof from one project to another project, provided that the purpose for which the transferred funds are to be expended remains unchanged.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. That there is hereby appropriated from unanticipated grant revenue in the General Fund the sum of FIFTEEN THOUSAND DOLLARS (\$15,000) for expenditure in the General Fund for the Natural Resources Radon Program and appropriated therein.
