

FINDINGS AND RESOLUTION 69-85

OF THE COUNCIL OF THE CITY OF FORT COLLINS, COLORADO,  
ACTING AS THE LOCAL LIQUOR LICENSING AUTHORITY CONCERNING  
AN APPLICATION FOR A RETAIL LIQUOR STORE LICENSE.

The application Wayne C. Jones and Pryntha J. Jones for a Retail Liquor Store License came on for hearing on the 17th day of July, 1969, in the Council Chambers, City Hall, Fort Collins, Colorado, pursuant to notice duly given as required by law.

The Authority having heard the evidence introduced at said hearing, examined the documents introduced and having heretofore held a preliminary hearing and issued findings in writing on said preliminary hearing, now makes the following findings:

1. The neighborhood to be served under this application is as defined in the preliminary findings of the Authority.

2. Nothing contained in C.R.S., 1963, Section 75-2-39, prohibits issuing a license at the proposed location.

3. The applicant is of good character and qualified under the Ordinances of the City of Fort Collins and the laws of the State of Colorado for the license applied for.

4. The application is in proper form.

5. Two applications for licenses to serve the same neighborhood have been received and granted by the Authority, however, it is the finding of the Authority that an additional outlet is needed to serve the needs of the neighborhood, and the reasonable requirements of the neighborhood therefore require the issuance of the license applied for.

6. The building in which the license is to be operated is constructed; however, the applicants have presented plans and specifications for remodeling such building, and no license should issue until such remodeling is completed in accordance with the plans and specifications submitted by the applicants and the requirements of the City Building Inspector.
