

RESOLUTION 2018-004
OF THE COUNCIL OF THE CITY OF FORT COLLINS
AUTHORIZING THE EXECUTION OF AN AMENDMENT TO THE
INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF FORT COLLINS AND
THE COLORADO DEPARTMENT OF TRANSPORTATION FOR THE INTERSTATE 25
IMPROVEMENTS BETWEEN STATE HIGHWAY 14 AND STATE HIGHWAY 402

WHEREAS, Interstate 25 (“I-25”) serves as the primary north-south highway connection for North Colorado, including Fort Collins and is the primary route for the City’s regional connectivity to commerce, health care, education and employment; and

WHEREAS, the Colorado Department of Transportation (“CDOT”) will make improvements to I-25 in Northern Colorado beginning in 2017, with actual construction commencing in 2018 and ending in 2020; and

WHEREAS, planned improvements to I-25 between SH-14 (Mulberry) and SH-402 (Loveland) include repair or replacement of two bridges, expansion of a third managed lane in each direction, and slip ramps and a park and ride at Larry Kendall Parkway in Loveland (the “North I-25 Improvements Project”); and

WHEREAS, the City has previously entered into an Intergovernmental Agreement dated April 14, 2017, with CDOT to commit \$2.25 million of local funds to support the North I-25 Improvements Project as part of the 2017-2018 budget (the “IGA”) and agreed to remit an additional \$2.2 million in funds over a five-year period to accelerate the Project pursuant to Resolution 2016-077, which authorized the Mayor to execute an Intergovernmental Agreement for Funding I-25 Improvements with Larimer County and seven other municipalities; and

WHEREAS, the Prospect/I-25 Interchange (the “Interchange”) has failing levels of service at peak travel times and there is an opportunity for the City to partner with CDOT, the Town of Timnath, and property owners around the Interchange (the “Property Owners”) to make improvements to the Interchange as part of the North I-25 Improvements Projects, which timing would result in an estimated savings of \$7 million in the cost of the Interchange improvements; and

WHEREAS, CDOT has proposed an amendment to the IGA whereby the City will contribute a total \$19.25 million for the Northern I-25 Improvement Projects, including improvements to the Interchange, and CDOT will reconstruct the existing diamond interchange at I-25 and Prospect Road, including reconstruction of the ramps, bridge and Prospect Road (the “Amendment”); and

WHEREAS, under the Amendment, work on improving the Interchange is expected to start after July 1, 2018 and will result in a reconstructed Prospect Road with four through lanes, a raised median, left turn lanes, and pedestrian and bicycle facilities; and

WHEREAS, to fund the additional \$17 million for the Interchange improvements under the Amendment, the City will be entering into separate agreements with the Town of Timnath and

Property Owners where the Town of Timnath will pay up to an estimated \$2.5 million toward the Interchange improvements, the Property Owners are anticipated to pay an estimated \$7.05 million toward the Interchange improvements after receiving credit for right-of-way dedications and credit for transportation capital expansion fees, and the City will pay the remaining \$8.1 million toward the Interchange improvements; and

WHEREAS; Article II, Section 16 of the City Charter empowers the City Council, by ordinance or resolution, to enter into contracts with governmental bodies to furnish governmental services and make charges for such services, or enter into cooperative or joint activities with other governmental bodies; and

WHEREAS, Section 29-1-203 of the Colorado Revised Statutes provides that governments may cooperate or contract with one another to provide certain services or facilities when such cooperation or contracts are authorized by each party thereto with the approval of its legislative body or other authority having the power to so approve; and

WHEREAS, the City Council has determined that Interchange improvements and the Amendment are necessary for the public health, safety and welfare; and

WHEREAS, the City Council has also determined that the Interchange improvements to be funded under the Amendment serve the public purpose of expanding and facilitating I-25 as a critical and primary route connecting the City and its citizens to commerce, health care, education and employment.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. That the City Council hereby makes and adopts the determinations and findings contained in the recitals set forth above.

Section 2. That the Amendment is hereby approved and the Mayor is authorized to enter into it in substantially the form attached hereto as Exhibit "A", together with such additional terms and conditions as the City Manager, in consultation with the City Attorney, determines to be necessary and appropriate to protect the interests of the City or to effectuate the purposes of this Resolution.

Passed and adopted at a regular meeting of the Council of the City of Fort Collins this 2nd day of January, A.D. 2018.

Mayor
