AND THE ART IN PUBLIC PLACES STORMWATER UTILITY ACCOUNT  
TO COMMISSION AN ARTIST TO CREATE THE ART PROJECT PURSUANT  
TO THE ART IN PUBLIC PLACES PROGRAM

WHEREAS, pursuant to Sections 23-303 and 23-304 of the City Code, one percent of the funds appropriated for the Project has been set aside for use in the acquisition, installation and maintenance of works of art in accordance with the Art in Public Places Guidelines adopted by the City Council in Ordinance No. 047, 1998 (the "Guidelines"); and

WHEREAS, Artist Carolyn Braaksma was selected from the pre-approved list of Design Consultants to develop concept art for the Riverside Bridge site that crosses Spring Creek near Edora Pool Ice Center (the "Art Project"); and

WHEREAS, the Art Project will cover both wall surfaces beneath the bridge, along the Spring Creek trail and will be pre-fabricated panels installed on the two bridge walls so that pedestrians will be surrounded by the wall design as they walk on the trail, under the bridge; and

WHEREAS, the Art in Public Places Board (the "Board") approved the design concept of the Art Project and recommended Council approval at the Board's April 18, 2018, regular meeting; and

WHEREAS, the funds for this Art Project have been appropriated in the APP Reserve Account in the Cultural Services and Facilities Fund and the Art in Public Places Stormwater Utility Account; and

WHEREAS, the budget for this Art Project, including for design, materials, fabrication, delivery, and contingency, is \$35,000 with \$10,142 from the APP Reserve Account and \$24,858 is from the Art in Public Places Stormwater Utility Account; and

WHEREAS, Section 23-308 of the City Code requires that the Board's recommendation concerning the use of funds for the Art Project be presented for Council review and approval as the cost of the art exceeds \$30,000; and

WHEREAS, pursuant to the Guidelines, a priority in selecting works of art to be acquired with restricted Utilities' APP Funds is that the art relate to and logically connect with the source of the funds used to acquire the artworks; and

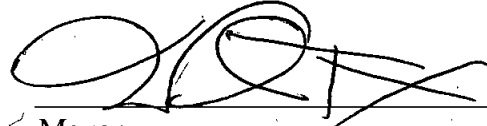

WHEREAS, the City Council finds that expending funds from the Utilities' APP Funds for the selected Art Project relates to, logically connects with, and benefits the utility rate payers by enhancing the administration facilities necessary to deliver utility services.

Section 1. That the City Council hereby makes and adopts the determinations and findings contained in the recitals above.

Section 2.
