WHEREAS, the City Engineering Department completed the Arterial Intersection Prioritization Study in 2011 which identified the Horsetooth Road and College Avenue Intersection as requiring needed safety and operational improvements; and

7. OPTION LETTER MODIFICATION

An option letter may be used to authorize the Local Agency to begin a phase without increasing total budgeted funds, increase or decrease the encumbrance amount as shown on **Exhibit C**, and/or transfer funds from one phase to another. Option letter modification is limited to the specific scenarios listed below. The option letter shall not be deemed valid until signed by the State Controller or an authorized delegate.

A. Option to begin a phase and/or increase or decrease the encumbrance amount.

The State may authorize the Local Agency to begin a phase that may include Design, Construction, Environmental, Utilities, ROW Incidentals or Miscellaneous (this does not apply to Acquisition/Relocation or Railroads) as detailed in **Exhibit A** and at the same terms and conditions stated in the original Agreement, with the total budgeted funds as shown in **Exhibit C** remaining the same. The State may increase or decrease the encumbrance amount for a particular phase by replacing the original funding exhibit (**Exhibit C**) in the original Agreement with an updated **Exhibit C-1** (subsequent exhibits to **Exhibit C-1** shall be labeled **C-2**, **C-3**, etc). The State may exercise this option by providing a fully executed option to the Local Agency within thirty (30) days before the initial targeted start date of the phase, in a form substantially equivalent to **Exhibit G**. If the State exercises this option, the Agreement will be considered to include this option provision.

B. Option to transfer funds from one phase to another phase.

The State may permit the Local Agency to transfer funds from one phase (Design, Construction, Environmental, Utilities, ROW Incidentals or Miscellaneous) to another as a result of changes to state, federal, and local match. The original funding exhibit (**Exhibit C**) in the original Agreement will be replaced with an updated **Exhibit C-1** (subsequent exhibits to **Exhibit C-1** shall be labeled **C-2**, **C-3**, etc.) and attached to the option letter. The funds transferred from one phase to another are subject to the same terms and conditions stated in the original Agreement with the total budgeted funds remaining the same. The State may unilaterally exercise this option by providing a fully executed option to the Local Agency within thirty (30) days before the initial targeted start date of the phase, in a form substantially equivalent to **Exhibit G**. Any transfer of funds from one phase to another is limited to an aggregate maximum of 24.99% of the original dollar amount of either phase affected by a transfer. A bilateral amendment is required for any transfer exceeding 24.99% of the original dollar amount of the phase affected by the increase or decrease.

C. Option to do both Options A and B.

The State may authorize the Local Agency to begin a phase as detailed in **Exhibit A**, and encumber and transfer funds from one phase to another. The original funding exhibit (**Exhibit C**) in the original Agreement will be replaced with an updated **Exhibit C-1** (subsequent exhibits to **Exhibit C-1** shall be labeled **C-2**, **C-3**, etc.) and attached to the option letter. The addition of a phase and encumbrance and transfer of funds are subject to the same terms and conditions stated in the original Agreement with the total budgeted funds remaining the same. The State may unilaterally exercise this option by providing a fully executed option to the Local Agency within thirty (30) days before the initial targeted start date of the phase, in a form substantially equivalent to **Exhibit G**.

8. PAYMENTS

The State shall, in accordance with the provisions of this §8, pay Local Agency in the amounts and using the methods set forth below:

A. Maximum Amount

The maximum amount payable to the Local Agency under this Grant shall be \$3,688,128.00 (for CDOT accounting purposes, only State HUTF funds of \$2,133,512.00 and State FASTER Transit funds of \$1,000,000.00 will be encumbered) unless such amount is increased by an appropriate written modification to this Grant executed before any increased cost is incurred. It is understood and agreed by the parties hereto that the total cost of the Work stated hereinbefore is the best estimate available, based on the design data as approved at the time of execution of this Grant, and that such cost is subject to revisions (in accordance with the procedure in the previous sentence) agreeable to the parties prior to bid and award.

B. Payment

i. Advance, Interim and Final Payments

Any advance payment allowed under this Grant or in **Exhibit C** shall comply with State Fiscal Rules and be made in accordance with the provisions of this Grant or such Exhibit. The Local Agency shall initiate any payment requests by submitting invoices to the State in the form and manner set forth and approved by the State.

ii. Interest

The State shall fully pay each invoice within 45 days of receipt thereof if the amount invoiced represents performance by the Local Agency previously accepted by the State. Uncontested amounts not paid by the State within 45 days shall bear interest on the unpaid balance beginning on the 46th day at a rate not to exceed one percent per month until paid in full; provided, however, that interest shall not accrue on unpaid amounts that are subject to a good faith dispute.

The Local Agency shall invoice the State separately for accrued interest on delinquent amounts. The billing shall reference the delinquent payment, the number of day's interest to be paid and the interest rate.

iii. Available Funds-Contingency-Termination

The State is prohibited by law from making fiscal commitments beyond the term of the State's current fiscal year. Therefore, the Local Agency's compensation beyond the State's current fiscal year is contingent upon the continuing availability of State appropriations as provided in the Colorado Special Provisions. The State's performance hereunder is also contingent upon the continuing availability of federal funds. Payments pursuant to this Grant shall be made only from available funds encumbered for this Grant and the State's liability for such payments shall be limited to the amount remaining of such encumbered funds. If State or federal funds are not appropriated, or otherwise become unavailable to fund this Grant, the State may terminate this Grant immediately, in whole or in part, without further liability in accordance with the provisions hereof.

iv. Erroneous Payments

At the State's sole discretion, payments made to the Local Agency in error for any reason, including, but not limited to overpayments or improper payments, and unexpended or excess funds received by the Local Agency, may be recovered from the Local Agency by deduction from subsequent payments under this Grant or other grants or agreements between the State and the Local Agency or by other appropriate methods and collected as a debt due to the State. Such funds shall not be paid to any person or entity other than the State.

C. Use of Funds

i. State HUTF and FASTER Funds

State HUTF and FASTER Funds shall be used only for eligible costs identified herein and/or in the Budget. Budget line item adjustments exceeding 10% but less than 24.99% must be submitted in advance of actual cost and receive written State approval, which approval may be transmitted informally by email or such other means that does not rise to the level of an amendment to this Grant. A budget revision of **Exhibit C** will be issued by State with such adjustment. Adjustments in excess of 24.99% for any line item shall be authorized by the State in an amendment to this Grant. The State's total consideration shall not exceed the maximum amount shown herein.

ii. Matching Funds

The matching ratio for the funds for this Work is 82.79% State HUTF funds to 17.21% required Local Agency funds that such ration applies to \$2,577,016.00, and 90% State FASTER funds to 10% Required Local Agency funds that such ratio applies to the \$1,111,112.00.

The Local Agency shall provide matching funds as provided in **Exhibit C**. The Local Agency shall have raised the full amount of matching funds prior to the Effective Date and shall report to the State regarding the status of such funds upon request. The Local Agency's obligation to pay all or any part of any matching funds, whether direct or contingent, only extend to funds duly and lawfully appropriated for the purposes of this Grant by the authorized representatives of the Local Agency and paid into the Local Agency's treasury. The Local Agency represents to the State that the amount designated "Local Agency Matching Funds" in **Exhibit C** has been legally appropriated for the purpose of this Grant by its authorized representatives and paid into its treasury. The Local Agency does not by this Grant irrevocably pledge present cash reserves for payments in future fiscal years, and this Grant is not intended to create a multiple-fiscal year debt of the Local Agency. The Local Agency

shall not pay or be liable for any claimed interest, late charges, fees, taxes or penalties of any nature, except as required by the Local Agency's laws or policies.

D. Local Funds

The State shall reimburse the Local Agency's allowable costs, not exceeding the maximum total amount described in **Exhibit C**. The applicable principles described in 49 C.F.R. 18 Subpart C and 49 C.F.R. 18.22 shall govern the State's obligation to reimburse all costs incurred by the Local Agency and submitted to the State for reimbursement hereunder, and the Local Agency shall comply with all such principles. The State shall reimburse the Local Agency for the federal-aid share of properly documented costs related to the Work after review and approval thereof, subject to the provisions of this Grant and **Exhibit C**. However, any costs incurred by the Local Agency prior to the date of FHWA authorization for the Work and prior to the Effective Date shall not be reimbursed absent specific FHWA and State Controller approval thereof. Costs shall be:

i. Reasonable and Necessary

Reasonable and necessary to accomplish the Work and for the Goods and Services provided.

ii. Net Cost

Actual net cost to the Local Agency (i.e. the price paid minus any items of value received by the Local Agency that reduce the cost actually incurred).

9. REPORTING - NOTIFICATION

Reports, Evaluations, and Reviews required under this **§9** shall be in accordance with the procedures of and in such form as prescribed by the State and in accordance with **§22**, if applicable.

A. Performance, Progress, Personnel, and Funds

State shall submit a report to the Grantee upon expiration or sooner termination of this Grant, containing an Evaluation and Review of Grantee's performance and the final status of Grantee's obligations hereunder. In addition, Grantee shall comply with all reporting requirements, if any, set forth in the Local Agency Manual and/or this Grant.

B. Litigation Reporting

Within 10 days after being served with any pleading in a legal action filed with a court or administrative agency, related to this Grant or which may affect Grantee's ability to perform its obligations hereunder, Grantee shall notify the State of such action and deliver copies of such pleadings to the State's principal representative as identified herein. If the State's principal representative is not then serving, such notice and copies shall be delivered to the Executive Director of CDOT.

C. Performance Outside the State of Colorado and/or the United States

[Not applicable if Grant Funds include any federal funds] Following the Effective Date, Grantee shall provide written notice to the State, in accordance with **§17 (Notices and Representatives)**, within 20 days of the earlier to occur of Grantee's decision to perform, or its execution of an agreement with a Subgrantee to perform, Services outside the State of Colorado and/or the United States. Such notice shall specify the type of Services to be performed outside the State of Colorado and/or the United States and the reason why it is necessary or advantageous to perform such Services at such location or locations. All notices received by the State pursuant to this **§9.C** shall be posted on the Colorado Department of Personnel & Administration's website. Knowing failure by Grantee to provide notice to the State under this **§9.C** shall constitute a material breach of this Grant.

D. Noncompliance

Grantee's failure to provide reports and notify the State in a timely manner in accordance with this **§9** may result in the delay of payment of funds and/or termination as provided under this Grant.

E. Subgrants

Copies of any and all subgrants entered into by Grantee to perform its obligations hereunder shall be submitted to the State or its principal representative upon request by the State. Any and all subgrants entered into by Grantee related to its performance hereunder shall comply with all applicable federal and state laws and shall provide that such subgrants be governed by the laws of the State of Colorado.

10. LOCAL AGENCY RECORDS

Grantee shall make, keep, maintain and allow inspection and monitoring of the following records:

A. Maintenance

Grantee shall make, keep, maintain, and allow inspection and monitoring by the State of a complete file of all records, documents, communications, notes and other written materials, electronic media files, and communications, pertaining in any manner to the Work or the delivery of Services (including, but not limited to the operation of programs) or Goods hereunder. Grantee shall maintain such records (the Record Retention Period) for a period of three years following the date of submission to the State of the final expenditure report, or if this Grant is renewed quarterly or annually, from the date of the submission of each quarterly or annual report, respectively. If any litigation, claim, or audit related to the Grant starts before expiration of the Record Retention Period, the Record Retention Period shall extend until all litigation, claims, or audit findings have been resolved and final action taken by the State or Federal Awarding Agency. The Federal Awarding Agency, a cognizant agency for audit, oversight or indirect costs, and the State may notify Grantee in writing that the Record Retention Period shall be extended. For records for real property and equipment, the Record Retention Period shall extend three years following final disposition of such property.

B. Inspection

Grantee shall permit the State, the federal government and any other duly authorized agent of a governmental agency to audit, inspect, examine, excerpt, copy and/or transcribe Grantee's records related to this Grant during the Record Retention Period for a period of three years following termination of this Grant or final payment hereunder, whichever is later, to assure compliance with the terms hereof or to evaluate Grantee's performance hereunder. The State reserves the right to inspect the Work at all reasonable times and places during the term of this Grant, including any extension. If the Work fails to conform to the requirements of this Grant, the State may require Grantee promptly to bring the Work into conformity with Grant requirements, at Grantee's sole expense. If the Work cannot be brought into conformance by re-performance or other corrective measures, the State may require Grantee to take necessary action to ensure that future performance conforms to Grant requirements and exercise the remedies available under this Grant, at law or in equity in lieu of or in conjunction with such corrective measures.

C. Monitoring

Grantee shall permit the State, the federal government, and other governmental agencies having jurisdiction, in their sole discretion, to monitor all activities conducted by Grantee pursuant to the terms of this Grant using any reasonable procedure, including, but not limited to: internal evaluation procedures, examination of program data, special analyses, on-site checking, formal audit examinations, or any other procedures. All monitoring controlled by the State shall be performed in a manner that shall not unduly interfere with Grantee's performance hereunder.

D. Final Audit Report

If an audit is performed on Grantee's records for any fiscal year covering a portion of the term of this Grant, Grantee shall submit a copy of the final audit report to the State or its principal representative at the address specified herein.

Grantee shall keep all State records and information confidential at all times and to comply with all laws and regulations concerning confidentiality of information. Any request or demand by a third party for State records and information in the possession of Grantee shall be immediately forwarded to the State's principal representative.

B. Notification

Grantee shall notify its agent, employees, Subgrantees, and assigns who may come into contact with State records and confidential information that each is subject to the confidentiality requirements set forth herein, and shall provide each with a written explanation of such requirements before they are permitted to access such records and information.

C. Use, Security, and Retention

Confidential information of any kind shall not be distributed or sold to any third party or used by Grantee or its agents in any way, except as authorized by this Grant or approved in writing by the State. Grantee shall provide and maintain a secure environment that ensures confidentiality of all State records and other confidential information wherever located. Confidential information shall not be retained in any files or otherwise by Grantee or its agents, except as permitted in this Grant or approved in writing by the State.

D. Disclosure-Liability

Disclosure of State records or other confidential information by Grantee for any reason may be cause for legal action by third parties against Grantee, the State or their respective agents. To the extent permitted by law, the Grantee shall indemnify, save, and hold harmless the State, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any act or omission by Grantee, or its employees, agents, Subgrantees, or assignees pursuant to this §11.

12. CONFLICT OF INTEREST

Subrecipient shall not engage in any business or personal activities or practices or maintain any relationships that conflict in any way with the full performance of Subrecipient's obligations hereunder. Such a conflict of interest would arise when a Subrecipient's employee, officer or agent, or any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or receives a tangible personal benefit from Subrecipient's receipt of the Federal Award and/or entry into this Grant Agreement. Officers, employees and agents of the Subrecipient may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

Subrecipient acknowledges that with respect to this Grant Agreement, even the appearance of a conflict of interest is harmful to the State's interests. Absent the State's prior written approval, Subrecipient shall refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of Subrecipient's obligations to the State hereunder. If a conflict or the appearance of a conflict exists, or if Subrecipient is uncertain whether a conflict or the appearance of a conflict of interest exists, Subrecipient shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Grantee, if a foreign corporation or other foreign entity transacting business in the State of Colorado, further warrants that it currently has obtained and shall maintain any applicable certificate of authority to transact business in the State of Colorado and has designated a registered agent in Colorado to accept service of process. Any revocation, withdrawal or non-renewal of licenses, certifications, approvals, insurance, permits or any such similar requirements necessary for Grantee to properly perform the terms of this Grant shall be deemed to be a material breach by Grantee and constitute grounds for termination of this Grant.

No later than 15 days prior to the expiration date of any such coverage, Grantee and each Subgrantee shall deliver to the State or Grantee certificates of insurance evidencing renewals thereof. In addition, upon request by the State at any other time during the term of this Grant or any subgrant, Grantee and each Subgrantee shall, within 10 days of such request, supply to the State evidence satisfactory to the State of compliance with the provisions of this §14.

15. BREACH

A. Defined

In addition to any breaches specified in other sections of this Grant, the failure of either Party to perform any of its material obligations hereunder, in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Grantee, or the appointment of a receiver or similar officer for Grantee or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in §17. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §16. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Grant in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

16. REMEDIES

If Grantee is in breach under any provision of this Grant, the State shall have all of the remedies listed in this §16 in addition to all other remedies set forth in other sections of this Grant following the notice and cure period set forth in §15(B) provided however, that the State may terminate this Grant pursuant to §16(B) without a breach. The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

If Grantee fails to perform any of its obligations hereunder with such diligence as is required to ensure its completion in accordance with the provisions of this Grant and in a timely manner, the State may notify Grantee of such non-performance in accordance with the provisions herein. If Grantee thereafter fails to promptly cure such non-performance within the cure period, the State, at its option, may terminate this entire Grant or such part of this Grant as to which there has been delay or a failure to properly perform. Exercise by the State of this right shall not be deemed a breach of its obligations hereunder. Grantee shall continue performance of this Grant to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Grantee shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Grantee shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Grant's terms. At the sole discretion of the State, Grantee shall assign to the State all of Grantee's right, title, and interest under such terminated orders or subgrants. Upon termination, Grantee shall take timely, reasonable and necessary action to protect and preserve property in the possession of Grantee in which the State has an interest. All materials owned by the State in the possession of Grantee shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Grantee to the State and shall become the State's property.

ii. Payments

The State shall reimburse Grantee only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Grantee was not in breach or that Grantee's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Grant had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Grantee also shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Grant by Grantee and the State may withhold any payment to Grantee for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Grantee is determined. The State may withhold any amount that may be due to Grantee as the State deems necessary to protect the State, including loss as a result of outstanding liens or claims of former lien holders, or to reimburse the State for the excess costs incurred in procuring similar goods or services. Grantee shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Grant for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or courts. If this Grant ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Grant in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This subsection shall not apply to a termination of this Grant by the State for cause or breach by Grantee, which shall be governed by §16(A) or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Grantee of such termination in accordance with §17. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Grant.

ii. Obligations and Rights

Upon receipt of a termination notice, Grantee shall be subject to and comply with the same obligations and rights set forth in §16(A)(i).

iii. Payments

If this Grant is terminated by the State pursuant to this §16(B), Grantee shall be paid an amount which bears the same ratio to the total reimbursement under this Grant as the Services satisfactorily performed bear to the total Services covered by this Grant, less payments previously made. Additionally, if this Grant is less than 60% completed, the State may reimburse Grantee for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Grant) incurred by Grantee which are directly attributable to the uncompleted portion of Grantee's obligations hereunder; provided

that the sum of any and all reimbursement shall not exceed the maximum amount payable to Grantee hereunder.

C. Remedies Not Involving Termination

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Grantee’s performance with respect to all or any portion of this Grant pending necessary corrective action as specified by the State without entitling Grantee to an adjustment in price/cost or performance schedule. Grantee shall promptly cease performance and incurring costs in accordance with the State’s directive and the State shall not be liable for costs incurred by Grantee after the suspension of performance under this provision.

ii. Withhold Payment

Withhold payment to Grantee until corrections in Grantee’s performance are satisfactorily made and completed.

iii. Deny Payment

Deny payment for those obligations not performed, that due to Grantee’s actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

iv. Removal

Request removal of any of Grantee’s employees, agents, or Subgrantees whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Grant is deemed to be contrary to the public interest or not in the State’s best interest.

v. Intellectual Property

If Grantee infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Grant, Grantee shall, at the State’s option (a) obtain for the State or Grantee the right to use such products and services; (b) replace any Goods, Services, or other product involved with non-infringing products or modify them so that they become non-infringing; or, (c) if neither of the foregoing alternatives are reasonably available, remove any infringing Goods, Services, or products and refund the price paid therefore to the State.

19. GOVERNMENTAL IMMUNITY

Notwithstanding any other provision to the contrary, nothing herein shall constitute a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the GIA. Liability for claims for injuries to persons or property arising from the negligence of the State of Colorado, its departments, institutions, agencies, boards, officials, and employees is controlled and limited by the provisions of the GIA and the risk management statutes, CRS §24-30-1501, *et seq.*, as amended.

Evaluation and Review of Grantee's performance shall be part of the normal Grant administration process and Grantee's performance will be systematically recorded in the statewide Contract Management System. Areas of Evaluation and Review shall include, but shall not be limited to quality, cost and timeliness. Collection of information relevant to the performance of Grantee's obligations under this Grant shall be determined by the specific requirements of such obligations and shall include factors tailored to match the requirements of Grantee's obligations. Such performance information shall be entered into the statewide Contract Management System at intervals established herein and a final Evaluation, Review and Rating shall be rendered within 30 days of the end of the Grant term. Grantee shall be notified following each performance Evaluation and Review, and shall address or correct any identified problem in a timely manner and maintain work progress.

Should the final performance Evaluation and Review determine that Grantee demonstrated a gross failure to meet the performance measures established hereunder, the Executive Director of the Colorado Department of Personnel and Administration (Executive Director), upon request by CDOT and showing of good cause, may debar Grantee and prohibit Grantee from bidding on future Grants. Grantee may contest the final Evaluation, Review and Rating by: (a) filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or (b) under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Grantee, by the Executive Director, upon a showing of good cause.

Any check or order drawn up by the Grantee, including any item which is or will be chargeable against the Project account shall be drawn up only in accordance with a properly signed voucher then on file in the office of the Grantee, which will detail the purpose for which said check or order is drawn. All checks, payrolls, invoices, grants, vouchers, orders or other accounting documents shall be clearly identified, readily accessible, and to the extent feasible, kept separate and apart from all other such documents.
 - D. The Grantee will prepare and submit to the State, no more than monthly, charges for costs incurred relative to the Project. The Grantee's invoices shall include a description of the amounts of Services performed, the dates of performance and the amounts and description of reimbursable expenses. The invoices will be prepared in accordance with the State's standard policies, procedures and standardized billing format to be supplied by the State.
 - E. To be eligible for payment, billings must be received within 60 days after the period for which payment is being requested and final billings on this Grant must be received by the State within 60 days after termination of this Grant.
 - i. Payments pursuant to this Grant shall be made in whole or in part, from available funds, encumbered for the purchase of the described services. If this Grant is terminated, final payment to the Grantee may be withheld at the discretion of the State until completion of final audit.

2. STATE AND GRANTEE COMMITMENTS

CDOT and the Grantee also agree to ensure the Project is completed within the applicable design and construction standards in accordance with **Exhibit F** – State and Grantee Commitments.

3. PROCUREMENT STANDARDS

The Grantee agrees to carry out its procurements consistent with the general procurement standards of the State. The Grantee agrees to follow the general procurement standards set forth in **Exhibit E**.

4. CONFORMANCE WITH LAW

The Grantee and its agent(s) will adhere to all applicable state and federal laws, Executive Orders and implementing regulations as they currently exist and may hereafter be amended. Further, the Grantee agrees to comply with the intent and requirements of the National Environmental Policy Act (NEPA) regardless of whether or not there is federal funding involved, as is consistent with CDOT's Environmental Stewardship Guide.

5. NON DISCRIMINATION

The Grantee agrees to comply with and ensure any Sub grantees comply with, the requirements of:

- A.** The American with Disabilities Act, Title II, and its implementing regulations--28 CFR Part 35, and 49 CFR parts 27, 37 and 38; and
- B.** The Civil Rights Act of 1964, Titles VI and VII, and their implementing regulations.

6. STATE INTEREST This section applies if box checked

The Grantee understands and agrees that the State retains a State interest in any real property, or equipment financed with State assistance (Project property) until, and to the extent that the State relinquishes its State interest in that Project property, as described in **Exhibit A**. All State interests in real property or equipment shall survive termination, expiration or cancellation of this Grant. With respect to any Project property financed with State assistance under this Grant, the Grantee agrees to comply with the following:

- A. Use of Project Property.** The Grantee agrees to use Project property for appropriate Project purposes for the duration of the useful life of that property, as required by the State and set forth in the scope. Should the Grantee unreasonably delay or fail to use Project property during the useful life of that property, the Grantee agrees that it may be required to return the entire amount of the State assistance expended on that property. The Grantee further agrees to notify the State immediately when any Project property is withdrawn from Project use or when any Project property is used in a manner substantially different from the representations the Grantee has made to CDOT.
- B. Maintenance.** The Grantee agrees to maintain Project property in good operating order to the State's satisfaction.
- C. Records.** The Grantee agrees to keep satisfactory records pertaining to the use of Project property, and submit to the State upon request such information as may be required to assure compliance with this Section.
- D. Encumbrance of Project Property.** The Grantee agrees to maintain satisfactory continuing control of Project property as follows:
 - i.** Written Transactions. The Grantee agrees that it will not execute any transfer of title, lease, lien, pledge, mortgage, encumbrance, third party grant, subgrant, grant anticipation note, alienation, innovative finance arrangement (such as a cross border lease, leveraged lease, or otherwise), or any other obligation pertaining to Project property, that in any way would affect the continuing State interest in that Project property.
 - ii.** Oral Transactions. The Grantee agrees that it will not obligate itself in any manner to any third party with respect to Project property.
 - iii.** Other Actions. The Grantee agrees that it will not take any action adversely affecting the State interest in or impair the Grantee's continuing control of the use of Project property.
- E. Transfer of Project Property.** The Grantee understands and agrees as follows:
 - i.** Grantee Request. The Grantee may transfer any Project property financed with State assistance to another public body or private nonprofit entity to be used for the same purpose set forth herein with no further obligation to the State Government, provided the transfer is approved by the State in writing.
 - ii.** State Government Direction. The Grantee agrees that the State may direct the disposition of, and even require the Grantee to transfer, title to any Project property financed with State assistance under this Grant if it is found that the Project property is not being used for the intended purpose as stated in the Scope of Work.

- iii. **Leasing Project Property to Another Party.** If the Grantee leases any Project property to another party, the Grantee agrees to retain ownership of the leased Project property, and assure that the lessee will use the Project property appropriately, either through a written lease between the Grantee and lessee, or another similar document, consistent with the Project purpose set forth herein. Upon request by the State, the Grantee agrees to provide a copy of any relevant documents.
- F. Disposition of Project Property.** The Grantee agrees that the State may establish the useful life of Project property, and that it will use Project property continuously and appropriately throughout the useful life of that property.
- i. **Project Property Prematurely Withdrawn from Use.** For Project property withdrawn from appropriate use before its useful life has expired, the Grantee agrees as follows:
- a). **Notification Requirement.** The Grantee agrees to notify the State immediately when any Project property is prematurely withdrawn from appropriate use, whether by planned withdrawal, misuse, or casualty loss.
- b). **Calculating the Fair Market Value of Prematurely Withdrawn Project Property.** The Grantee agrees that the State retains a State interest in the fair market value of Project property prematurely withdrawn from appropriate use. The amount of the State interest in the Project property shall be determined by the ratio of the State assistance awarded for the property to the actual cost of the property. The Grantee agrees that the fair market value of Project property prematurely withdrawn from use will be calculated as follows:
- (1) **Equipment.** The Grantee agrees that the fair market value of Project equipment and supplies shall be calculated by straight-line depreciation of that property, based on the useful life of the equipment as established or approved by the State. The fair market value of Project equipment shall be the value immediately before the occurrence prompting the withdrawal of the equipment or supplies from appropriate use. In the case of Project equipment lost or damaged by fire, casualty, or natural disaster, the fair market value shall be calculated on the basis of the condition of that equipment or supplies immediately before the fire, casualty, or natural disaster, irrespective of the extent of insurance coverage.
- (2) **Real Property.** The Grantee agrees that the fair market value of real property shall be determined either by competent appraisal based on an appropriate date approved by the State, or by straight line depreciation, whichever is greater.
- (3) **Exceptional Circumstances.** The Grantee agrees that the State may require the use of another method to determine the fair market value of Project property. In unusual circumstances, the Grantee may request that another reasonable valuation method be used including, but not limited to, accelerated depreciation, comparable sales, or established market values. In determining whether to approve such a request, the State may consider any action taken, omission made, or unfortunate occurrence suffered by the Grantee with respect to the preservation of Project property withdrawn from appropriate use.
- c). **Financial Obligations to the State.** The Grantee agrees to remit to the State the State interest in the fair market value of any Project property prematurely withdrawn from appropriate use. In the case of fire, casualty, or natural disaster, the Grantee may fulfill its obligations to remit the State interest by either:
- (1) Investing an amount equal to the remaining State interest in like-kind property that is eligible for assistance within the scope of the Project that provided State assistance for the Project property prematurely withdrawn from use; or
- (2) Returning to the State an amount equal to the remaining State interest in the withdrawn Project property.
- G. State Interest-Project.** The State shall protect its interest in the equipment being obtained with Grant Funds.
- H. Insurance Proceeds.** If the Grantee receives insurance proceeds as a result of damage or destruction to the Project property, the Grantee agrees to:
- i. Apply those insurance proceeds to the cost of replacing the damaged or destroyed Project property taken out of service, or

ii. Return to the State an amount equal to the remaining State interest, based on straight line depreciation, in the damaged or destroyed Project property.

I. Misused or Damaged Project Property. If any damage to Project property results from abuse or misuse occurring with the Grantee's knowledge and consent, the Grantee agrees to restore the Project property to its original condition or refund the value of the State interest, based on straight line depreciation, in that property, as the State may require.

J. Responsibilities After Project Closeout. The Grantee agrees that Project closeout by the State will not change the Grantee's Project property management responsibilities as stated in this Section of the Grant.

7. RAILROADS This section applies if box checked

In the event the Project involves modification of a railroad company's facilities whereby the Work is to be accomplished by railroad company forces, the Grantee shall make timely application to the Public Utilities Commission requesting its order providing for the installation of the proposed improvements and not proceed with that part of the Work without compliance. The Grantee shall also establish contact with the railroad company involved for the purpose of complying with applicable provisions of 23 CFR 646, subpart B, concerning State or Federal-aid projects involving railroad facilities, including:

- A. Executing an agreement setting out what work is to be accomplished and the location(s) thereof, and that the costs of the improvement shall be eligible for federal participation.
- B. Obtaining the railroad's detailed estimate of the cost of the Work.
- C. Establishing future maintenance responsibilities for the proposed installation.
- D. Proscribing future use or dispositions of the proposed improvements in the event of abandonment or elimination of a grade crossing.
- E. Establishing future repair and/or replacement responsibilities in the event of accidental destruction or damage to the installation.

8. UTILITIES, ACCESS, RIGHT OF WAY This section applies if box checked

A. Utilities. If necessary, the Grantee will be responsible for obtaining the proper clearance or approval from any utility company, local, State, or federal government agency, or other entity which may become involved in this Project. CDOT will reasonably assist Grantee in this regard in all cases in which CDOT is in a unique position to do so, provided that in no case will CDOT be required to expend State funds to provide such assistance. Prior to this Project being advertised for bids, the Grantee will certify in writing to the State that all such clearances have been obtained.

B. Access. The Grantee shall be responsible for obtaining an access permit from CDOT Region offices. The Grantee shall be responsible for obtaining a use and occupancy permit from the State. Prior to this Project being advertised for bids, the Grantee will certify in writing to the State that all such clearances have been obtained.

C. Right of Way. The parties acknowledge that the Project is for the mutual benefit of the Grantee and CDOT, and that it shall be constructed on State right of way. As a result of the Project being constructed on State right of way, the Grantee shall be responsible for obtaining an approved Interchange Approval consistent with CDOT Policy Directive 1601. The Grantee shall also be responsible for executing a grant with CDOT that addresses how construction oversight shall be coordinated and carried out.

If the Project includes right of way, prior to this Project being advertised for bids, the Grantee will certify in writing to the State that all right of way has been acquired in accordance with the applicable State and federal regulations, or that no additional right of way is required.

Any acquisition/relocation activities must comply with all federal and state statutes, regulations, CDOT policies and procedures, 49 CFR Part 24, the Uniform Act government-wide regulation-, the FHWA "Project Development Guide" and CDOT's "Right of Way Operations Manual".

Allocation of responsibilities can be as follows:

- i. Federal participation in right of way acquisition (3111 charges), relocation (3109 charges)

activities, if any, and right of way incidentals (expenses incidental to acquisition/relocation of right of way – 3114 charges);

- ii. Federal participation in right of way acquisition (3111 charges), relocation (3109 charges) but no participation in incidental expenses (3114 charges); or
- iii. No federal participation in right of way acquisition (3111 charges) and relocation activities (3109 expenses).

Regardless of the option selected above, the State retains oversight responsibilities. The Grantee's and the State's responsibilities for each option is specifically set forth in CDOT's Right of Way Operation Manual. The manual is located at http://www.dot.state.co.us/ROW_Manual/.

9. DISADVANTAGE BUSINESS ENTERPRISE (“DBE”) EFFORTS

The State encourages the Grantee to utilize small businesses owned by minorities, women and disadvantaged individuals to the greatest extent possible without sacrificing adequate competition. The Grantee is reminded of the illegality of discrimination and of the need to take all necessary and reasonable steps to ensure non-discrimination in the area of contracting and procurement and to create a level playing field where small minority, women, and disadvantaged businesses can compete fairly in CDOT assisted contracts and procurements. This policy specifically upholds the Transportation Commission's commitment to fair and equitable business practices and is supported by CDOT's small business development programs.

The CDOT Center for Equal Opportunity (EO) can provide lists of qualified DBE/MBE/WBE vendors as well as other technical assistance. Inquiries can be directed to the Director of Center for Equal Opportunity or Business Team Supervisor at 303-757-9234.

10. MAINTENANCE OBLIGATIONS This section applies if box checked

The Grantee will maintain and operate the improvements constructed under this Grant at its own cost and expense during their useful life, in a manner reasonably satisfactory to the State. The Grantee will make proper provisions for such maintenance obligations each year. Such maintenance and operations shall be conducted in accordance with all applicable statutes, ordinances and regulations which define the Grantee's obligations to maintain such improvements. The State may make periodic inspections of the Project to verify that such improvements are being adequately maintained.

27. EXHIBIT D (Grantee Payment Checklist)

GRANTEE PAYMENT CHECKLIST

This checklist is to assist the Grantee in preparation of its billing packets to CDOT. This checklist is provided as guidance and is subject to change by CDOT. CDOT shall provide notice of any such changes to Grantee. All items may not apply to your particular entity. CDOT's goal is to reimburse Grantees as quickly as possible and a well organized and complete billing packet helps to expedite payment.

- Invoice from local entity (Tier I and some Tier IIs)**
 - ✓ Project and Project Code
 - ✓ Project Location
 - ✓ Invoice number and billing date
 - ✓ Previous Billed, Current Billing, and Billed to date
 - ✓ Local Agency costs
 - ✓ Consultant or Sub-grantee costs
 - ✓ Federal portion
 - ✓ Local portion
 - ✓ Net payment due
 - ✓ Signature of local entity representative

- Copies of invoices from local agency contractors (Tier I and some Tier IIs)**
 - ✓ The specific document the contractor used to invoice the local agencies. The local agency is responsible for ensuring that the backup matches the invoice and is eligible for reimbursement.
 - ✓ If the local agency pays the contractor a discounted amount, the full amount cannot be reimbursed to the local agency, only the discounted amount, less the local agency match.
 - ✓ Please ensure that all payment vouchers from the local agencies state "ok to pay" or some notation of when paid or approved by, etc.
 - ✓ Invoice(s) should match check amounts.
 - ✓ A CDOT employee knowledgeable about the work being invoiced has to approve the local agency invoices in order for CDOT to make payments; the invoice must be paid within 45 days of receipt according to state statute.
 - ✓ Statements are not acceptable in lieu of an invoice.

- Copies of checks (All Tiers)**
 - ✓ All of the following are acceptable - copies of checks, check registers, approved accounting system generated expenditure ledgers showing the amount paid, the check number or electronic funds transfer ("EFT") and the date paid.
 - ✓ CDOT needs to ensure that expenditures incurred by the Grantee have been paid by the Grantee before CDOT is invoiced by the Grantee.

- Expenditure ledger (All Tiers)**
 - ✓ An expenditure ledger needs to be submitted from the Grantee's financial accounting system. The report should display the accounting system information, date of the report, accounting period, current period transactions, and the account coding for all incurred expenditures. Excel spreadsheets are not approved expenditure reports. However, an additional excel spreadsheet may be required in order to explain any variances between the expenditure and the amount eligible for reimbursement.
 - ✓ 2 CFR 200 requires the Grantee to have approved accounting systems so this should not be difficult to generate by cost center specific to the reimbursable Project. The expenditure report is a good summary page if there is substantial documentation.
 - ✓ If the Grantee has copies of the invoice(s) and check(s), you do not need the expenditure ledger also, but the invoices must be marked as approved for payment.

- Timesheets (Tier I and some Tier IIs)**
- ✓ DOT requires all employees working on projects to provide time sheets with a breakdown of hours worked by day displaying all projects worked for the day, week, month or time collection period. The timesheet must also be signed or approved either in ink or electronically.
- ✓ Backup documentation for payroll expenses includes the timesheet and an hourly or salary rate or a payroll ledger indicating total hours, wages, and benefits. The rate only needs to be submitted once and will be referred to for future invoices.
- ✓ If there is sensitive information such as social security numbers or addresses, please block that information.
- ✓ If the local agency uses a temp agency and submits the invoice from the temp agency for reimbursement, CDOT needs the same documentation the agency would use for approval before the local agency paid the temp agency.
- ✓ If the local agency used a quarterly or semester based system of timekeeping, the local agency cannot bill monthly for payroll expenses (this is especially true for colleges and universities). The local agency needs the backup from the timekeeping system and payroll records which would allow the local agency to bill quarterly or by semester.

- In kind match – If an entity wishes to use in-kind match, it must be approved by CDOT prior to any work taking place. (All Tiers)**
- ✓ If an in kind match is being used for the local match the in-kind portion of the project must be included in project application and scope of work attached to the contract or purchase order. FTA does not require pre-approval of in kind, but CDOT does.
- ✓ Expenditure ledger from the local agency must also show the in kind match in their general ledger. CDOT needs a copy of this general ledger showing the in kind match.
- ✓ If the local agency is using in kind match on invoices to CDOT, they need to attach a drawdown page indicating how much in-kind match has been used.
- ✓ Full documentation will be required on the use of in-kind match, regardless of the Tier held by the grantee.

- Indirect costs (All Tiers)**
- ✓ If indirect costs are being requested, please submit an approved indirect letter provided by either CDOT or Colorado Department. The letter must state what indirect costs are allowed and at what percentage. The indirect letter only needs to be submitted once and will be retained on file for future invoices. The indirect cost plan must be reconciled annually and an updated letter submitted each year.

3. Maintain procedures that provide for the review of proposed procurements to avoid purchase of unnecessary or duplicative items.
4. Use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions.
5. Make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.
6. Maintain records sufficient to detail the significant history of the procurement. Including:

9. Maintain written selection procedures for procurement transactions.
10. Ensure that all pre-qualified list of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition.
11. Method of procurements to be followed:
 - a. Small Purchase – is a relatively simple and informal procurement method for securing services, supplies, or other property that do not cost more than \$150,000.00. If small purchase procedures are used, price or rate quotation shall be obtained from at least three sources. Quotations will be in writing if for goods in excess of \$10,000 and if for services in excess of \$25,000.00.
 - b. Formal Sealed Bids –are publicly solicited and a firm-fixed-prices (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. This method is preferred for procuring construction. If this method is used, the following requirements apply:
 - i. Must be publicly advertised;
 - ii. Must give at least 14 days for bidders to respond;
 - iii. Must include any specifications and pertinent attachments to all bidders to respond properly;
 - iv. All bids will be publicly opened at the time and place prescribed in the invitation for bid;

- v. A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder; and
 - vi. Any or all bids may be rejected if there is a sound documented reason.
- c. Competitive Proposals – are generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:
- i. Request for proposals will be publicized;
 - ii. Identify all evaluation factors and their relative importance;
 - iii. Proposals will be solicited from an adequate number of qualified sources;
 - iv. Have a method for conducting technical evaluation of the proposals received and for selecting awardees;
 - v. Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
 - vi. May be used for qualifications-based procurement of architectural/engineering professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected. Note – the method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services through A/E firms. See also **Exhibit H** for procurement of A/E professional services.
- d. Noncompetitive Proposals - may be used only when the award of a contract is infeasible under the other three methods and the following circumstances applies:
- i. The item is available only from a single source;
 - ii. The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
 - iii. The awarding agency authorizes noncompetitive proposals; or
 - iv. After solicitation of a number of sources, competition is determined inadequate.
12. Small, Minority and Women owned business enterprise and labor surplus area firms – In accordance with **Exhibit B**, Section 9 take affirmative steps to assure that minority and women business enterprises, and labor surplus area firms are used when possible.
- a. Placing qualified firms on solicitation lists;
 - b. Assuring that firms are solicited whenever they are potential sources;
 - c. Dividing total quantities to permit maximum participation;
 - d. Establishing delivery schedules, where the requirement permits, which encourage participation by S/M/W owned firms; and
 - e. Using the services of the Small Business Administration, Minority Business Development Agency of the Department of Commerce, the CDOT EO office or other agencies that qualify S/M/W owned firms.
13. Bonding requirements – For construction or facility improvement contracts or subcontracts exceeding \$100,000.00.

 - (1) In advertising and awarding the bid for the construction, the Grantee shall comply with applicable requirements of 23 USC §112, 23 CFR Parts 633 and 635, and CRS §24-92-101 et seq. Those requirements include, without limitation, that the Grantee/Subgrantee shall comply with terms and conditions as required by 23 CFR §633.102(e).
 - (2) The Grantee has the option to accept or reject the proposal of the apparent low bidder for work on which competitive bids have been received. The Grantee must declare the acceptance or rejection within 3 working days after said bids are publicly opened.
 - (3) By indicating its concurrence in such award, the Grantee, acting by or through its duly authorized representatives, agrees to provide additional funds, subject to their availability and appropriation for that purpose, if required to complete the Work under this Project if no additional State funds will be made available for the Project. This paragraph also applies to Projects advertised and awarded by the State.
 - c. If all or part of the construction Work is to be accomplished by Grantee personnel (i.e. by force account), rather than by a competitive bidding process, the Grantee will ensure that all such force account work is accomplished in accordance with the pertinent State specifications and requirements with 23 CFR Part 635, Subpart B, Force Account Construction.

- (1) Such Work will normally be based upon estimated quantities and firm unit prices agreed to between the Grantee, the State and FHWA (if needed) in advance of the Work, as provided for in 23 CFR §635.204(c). Such agreed unit prices shall constitute a commitment as to the value of the Work to be performed.
- (2) An alternative to the above is that the Grantee may agree to participate in the Work based on actual costs of labor, equipment rental, materials supplies and supervision necessary to complete the Work. Where actual costs are used, eligibility of cost items shall be evaluated for compliance with 48 CFR Part 31.
- (3) Rental rates for publicly owned equipment will be determined in accordance with the State's Standard Specifications for Road and Bridge Construction §109.04.
- (4) All force account work shall have prior approval of the State and/or FHWA (if needed) and shall not be initiated until the State has issued a written notice to proceed.

C. State's Obligations

1. The State will perform a final Project inspection prior to Project acceptance as a "Quality Control/Assurance" activity. When all Work has been satisfactorily completed, the State will sign the CDOT Form 1212 (for FHWA), if applicable.
2. Notwithstanding any consents or approvals given by the State for the Plans, the State will not be liable or responsible in any manner for the structural design, details or construction of any major structures that are designed by or are the responsibility of the Grantee within the Work of this Grant.

31. EXHIBIT H (Grants with Professional Subgrantee Services)

State or Federal-Aid Project Agreements with Professional Subgrantee Services

The Grantee shall use these procedures to implement State or Federal-aid project agreements with professional Sub grantee services including, but not limited to engineering, design, or architectural services.

23 CFR Part172 applies to a federally funded Grantee project agreement administered by CDOT that involves professional Sub grantee services. 23 CFR §172.1 states “The policies and procedures involve federally funded grants for engineering and design related services for projects subject to the provisions of 23 USC §112(a) and are issued to ensure that a qualified Subgrantee is obtained through an equitable selection process, that prescribed work is properly accomplished in a timely manner, and at fair and reasonable cost” and according to 23 CFR §172.5 “Price shall not be used as a factor in the analysis and selection phase.” Therefore, local agencies must comply with these CFR requirements when obtaining professional Subgrantee services under a federally funded Subgrantee subgrant administered by CDOT.

Preference of Colorado Labor

Grantee certifies, warrants, and agrees that it has knowledge of the “Keep Jobs in Colorado Act of 2013” codified at Sections 8-17-101, et seq., of the Colorado Revised Statutes and accompanying rules, 7 CCR 1103-6, and that Colorado labor shall be employed to perform at least eighty percent (80%) of the Work.

CDOT has formulated its procedures in Procedural Directive (P.D.) 400.1 and the related operations guidebook titled "Obtaining Professional Subgrantee Services". This directive and guidebook incorporate requirements from both Federal and State regulations, i.e., 23 CFR Part172 and Colorado Revised Statute CRS §24-30-1401 et seq. Copies of the directive and the guidebook may be obtained upon request from CDOT's Agreements and Consultant Management Unit. [Local agencies should have their own written procedures on file for each method of procurement that addresses the items in 23 CFR Part 172].

Because the procedures and laws described in the Procedural Directive and the guidebook are quite lengthy, the subsequent steps serve as a short-hand guide to CDOT procedures that a Grantee must follow in obtaining professional Subgrantee services. This guidance follows the format of 23 CFR Part 172. The steps are:

1. The contracting Grantee shall document the need for obtaining professional services.
2. Prior to solicitation for Subgrantee services, the contracting Grantee shall develop a detailed scope of work and a list of evaluation factors and their relative importance. The evaluation factors are those identified in CRS §24-30-1403. Also, a detailed cost estimate should be prepared for use during negotiations.
3. The contracting agency must advertise for grants in conformity with the requirements of CRS §24-30-1405. The public notice period, when such notice is required, is a minimum of 15 days prior to the selection of the three most qualified firms and the advertising should be done in one or more daily newspapers of general circulation.
4. The request for Subgrantee services should include the scope of work, the evaluation factors and their relative importance, the method of payment, and the goal of ten percent (10%) for Disadvantaged Business Enterprise (DBE) participation as a minimum for the project.
5. The analysis and selection of the Subgrantee should be done in accordance with CRS §24-30-1403. This section of the regulation identifies the criteria to be used in the evaluation of CDOT pre-qualified prime Subgrantee and their team. It also shows which criteria are used to short-list and to make a final selection.

The short-list is based on the following evaluation factors:

- a. Qualifications,
- b. Approach to the project,
- c. Ability to furnish professional services.
- d. Anticipated design concepts, and

e. Alternative methods of approach for furnishing the professional services.

Evaluation factors for final selection are the Subgrantee's:

- a. Abilities of their personnel,
 - b. Past performance,
 - c. Willingness to meet the time and budget requirement,
 - d. Location,
 - e. Current and projected work load,
 - f. Volume of previously awarded contracts, and
 - g. Involvement of minority Subgrantees.
6. Once a Subgrantee is selected, the Grantee enters into negotiations with the Subgrantee to obtain a fair and reasonable price for the anticipated work. Pre-negotiation audits are prepared for grants expected to be greater than \$50,000. Federal reimbursement for costs are limited to those costs allowable under the cost principles of 48 CFR Part 31. Fixed fees (profit) are determined with consideration given to size, complexity, duration, and degree of risk involved in the work. Profit is in the range of six (6) to fifteen (15) percent of the total direct and indirect costs.
7. A qualified Grantee employee shall be responsible and in charge of the project to ensure that the work being pursued is complete, accurate, and consistent with the terms, conditions, and specifications of the Grant. At the end of project, the Grantee prepares a performance evaluation (a CDOT form is available) on the Subgrantee.
8. Each of the steps listed above is to be documented in accordance with the provisions of 2 CFR 200.333, which provide for records to be kept at least three (3) years from the date that the Grantee submits its final expenditure report. Records of projects under litigation shall be kept at least three (3) years after the case has been settled.

The CRS §§24-30-1401 through 1408, 23 CFR Part 172, and P.D. 400.1, provide additional details for complying with the eight (8) steps just discussed.
