COOPERATION AGREEMENT

(College & Drake Urban Renewal Plan)

THIS COOPERATION AGREEMENT (the “Cooperation Agreement”) is made as of _____, 2019 (the “Effective Date”), by and between the CITY OF FORT COLLINS, a home rule city and Colorado municipal corporation (the “City”), whose address is 222 LaPorte Avenue, P.O. Box 580, Fort Collins, CO 80522, and the FORT COLLINS URBAN RENEWAL AUTHORITY, a body corporate and politic of the State of Colorado (the “Authority”), whose address is 222 LaPorte Avenue, P.O. Box 580, Fort Collins, CO 80522. The City and the Authority are sometimes referred to herein individually as a “Party” and collectively as the “Parties.”

RECITALS

The following recitals are incorporated in and made a part of this Agreement. Capitalized terms used herein and not otherwise defined are defined in Section 1 below.

A. Proposed Redevelopment. The Parties have been advised that the real property described in Exhibit A (the “Property”), lying within the corporate limits of the City, is being studied for designation as an urban renewal area to be redeveloped by one or more developers and/or property owner(s) as a mixed-use development(s) that will eliminate existing and help prevent future blighted conditions which constitute threats to the health, safety and welfare of the community and barriers to development.

B. Urban Renewal and Tax Increment Financing. To accomplish the proposed redevelopment and to provide certain required improvements, the Authority has recommended inclusion of the Property in a proposed urban renewal plan, entitled the “College & Drake Urban Renewal Plan” (the “Plan” or “Urban Renewal Plan”) authorizing and utilizing tax increment financing in accordance with the Colorado Urban Renewal Law as found in the Colorado Revised Statutes (“C.R.S.”) in Part 1 of Article 25 of Title 31 (the “Act”) to pay Eligible Costs of the Improvements. The proposed Plan that includes the Property has been provided to the City under separate cover. The final Plan approved by the City Council of the City shall be the “Plan” for purposes of this Agreement.

C. Nature of Urban Renewal Project and Purpose of Agreement. The proposed Urban Renewal Project consists of designing, developing and constructing the Improvements (which includes paying the Eligible Costs of public improvements) necessary to serve the proposed Urban Renewal Area and to comply with C.R.S. § 31-25-107(4)(g) that requires the Plan to afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the Urban Renewal Area by private enterprise. Approval of the Urban Renewal Plan is subject to recent legislation, including requirements imposed by HB 15-1348 for new urban renewal plans adopted after January 1, 2016.

D. Fiscal Impact Model. The City and the Authority, along with other taxing districts, have undertaken and utilized a system prepared by the Larimer County TIF Study Group in 2015-2016 (the “Fiscal Impact Model”), to assess the financial and economic impacts of the Plan on the City and other taxing districts.

E. Equitable Deal Structure. The City and the Authority, along with other taxing districts, have undertaken to prepare an equitable deal structure between the various taxing districts, including the contribution of the City Increment pursuant to this Agreement.

F. Colorado Urban Renewal Law. In accordance with the Act as amended to the date of this Agreement (including the requirements of HB 15-1348 and SB 18-248), the Parties desire to enter into this Agreement to facilitate adoption of the Plan and redevelopment of the proposed Urban Renewal Area described therein. The Agreement addresses, among other things, the estimated impacts of the Urban Renewal Plan on City services associated solely with the Urban Renewal Plan.

G. Cooperation Agreement. Article XIV, Section 18, of the Colorado Constitution, C.R.S. § 29-1-201, *et seq.* and C.R.S. § 31-25-112 of the Act, provide for and encourage urban renewal authorities and governmental entities within Colorado to make the most efficient and effective use of their powers and responsibilities by cooperating with each other to accomplish specific public purposes.

AGREEMENT

NOW, THEREFORE, in consideration of the covenants, promises and agreements of each of the Parties hereto, to be kept and performed by each of them, it is agreed by and between the Parties hereto as set forth herein.

1. DEFINITIONS. As used in this Agreement:

1.0 DEFINITIONS. In this Agreement, the following terms shall have the following meanings unless a different meaning clearly appears from the context:

1.1 “Act” means Colorado Urban Renewal Law in Part 1 of Article 25 of Title 31 in the Colorado Revised Statutes.

1.2 “Agreement” means this Cooperation Agreement between the City and the Authority, as it may be amended or supplemented in writing. References to sections or exhibits are to this Agreement unless otherwise qualified.

1.3 “Authority” means the Party described in the Preamble to this Agreement as the “Fort Collins Urban Renewal Authority, a body corporate and politic of the State of Colorado.”

1.1. “Bonds” shall have the same meaning as defined in C.R.S. § 31-25-103.

1.2. “Cap” means the maximum amount of City Increment which may be received by the Authority pursuant to this Agreement, which amount is twelve million nine hundred and seventy-nine thousand dollars (\$12,979,000), unless the Parties agree in writing to a different amount.

1.3. “City” means the Party described in Recital A to this Agreement as the “City of Fort Collins, a home rule city and Colorado municipal corporation.”

1.4. “City Increment” means the combination of the City Net New Sales Tax Increment and City Property Tax Increment in a total amount not to exceed the Cap.

1.5. “City Net New Sales Tax Increment” means, subject to the Cap, fifty percent (50%) of the incremental municipal sales tax revenue generated and collected from the City’s 2.25% general fund sales tax within the Urban Renewal Area, after deducting four hundred and five thousand dollars (\$405,000). This deduction is being made because there is a nearby grocery store that is planned to be relocated to the Property as part of the Project. The amount of the deduction is an average of the annual sales tax that the City collects at the 2.25% rate from all the grocery stores and super-centers in Fort Collins. The City and the Authority shall be permitted, but not required, to adjust the City Net New Sales Tax Increment to take into account legislative adjustments to the municipal sales tax rate so that, to the extent reasonably practicable and legally authorized, the actual City Net New Sales Tax Increment generated from the Urban Renewal Area shall neither be diminished nor eliminated as a result of such changes. For clarity, the municipal sales tax rate of 2.25% is established because a portion of the City’s sales tax rate of 3.85% was approved by voters with the understanding that it was intended to be used specifically for certain purposes and, therefore, the City desires to exclude it. Therefore, no portion of the 1.6% sales tax rate, or any future sales tax rate increase will be included as part of the City Net New Sales Tax Increment. For clarity, no portion of the City’s use tax attributable to the Urban Renewal Area shall be included as part of the City Net New Sales Tax Increment.

1.6. “City Property Tax Increment” means the portion of Property Tax Increment Revenues generated by the City’s mill levy, received by the Authority from the County Treasurer and paid into the Special Fund as specified in Section 3.

1.7. “Duration” means the twenty-five (25) year period that the tax increment or tax allocation provisions will be in effect as specified in C.R.S. § 31-25-107(9)(a) and the Plan.

1.8. “Eligible Costs” means those costs eligible to be paid or reimbursed from the City Net New Sales Tax Increment and Property Tax Increment Revenues pursuant to the Act. For purposes of this Agreement, the Eligible Costs associated with the Improvements are those shown on Exhibit B, subject to an annual escalation factor as reported by the Engineering News Record (ENR).

1.9. “Improvements” means the public improvements and private improvements listed on Exhibit B attached hereto to be constructed on the Property pursuant to the Plan.

1.10. “Plan” means the Urban Renewal Plan defined in Recital B above.

1.11. “Project” shall have the same meaning as Urban Renewal Project.

1.12. “Property” means the real property described in Exhibit A and located in the Urban Renewal Area.

1.13. “Property Tax Increment Revenues” means the incremental property tax revenues from the Property derived from ad valorem property tax levies described in C.R.S. § 31-25-107(9)(a)(II) allocated to the Special Fund for the Urban Renewal Project, subject to the Cap.

1.14. “Special Fund” means the fund described in the Plan and C.R.S. § 31-25-107(9)(a)(II) into which the City Increment will be deposited.

1.15. “Urban Renewal Area” means the area included in the boundaries of the Plan.

1.16. “Urban Renewal Plan” means the Urban Renewal Plan defined in Recital B above.

1.17. “Urban Renewal Project” means all undertakings and activities, or any combination thereof, required to carry out the Urban Renewal Plan pursuant to the Act.

2. CITY INCREMENT REVENUES. In compliance with the requirements of HB 15-1348 and SB 18-248, the Parties have negotiated and agreed to the sharing of City Increment as set forth herein.

3. SPECIAL FUND. The Authority will establish the Special Fund to facilitate the redevelopment of the Property and to pay the Eligible Costs of the Improvements.

3.1. Deposits. The City agrees to calculate and deposit into the Special Fund the City Net New Sales Tax Increment. The City and the Authority agree that the Authority may retain and expend in furtherance of the Urban Renewal Project one hundred percent (100%) of the City Property Tax Increment. The Authority will deposit into the Special Fund the City Property Tax Increment received from the County Treasurer, to be combined with the City Net New Sales Tax Increment, as the City Increment, that the Authority will use to pay Eligible Costs of the Improvements.

3.2. Term. The City Increment will be deposited into the Special Fund, commencing on the date of approval by the City of the Plan and ending upon the earlier of: (a) the occurrence of the Duration; or (b) the payment in full of any debt, as defined in the Act, incurred to pay for the Improvements; or (c) the date on which the Cap amount is reached.

3.3. Collection. The City agrees to use reasonable efforts to pursue in good faith all lawful procedures and remedies available to it in collecting and depositing the City Net New Sales Tax Increment in the Special Fund. To the extent lawfully possible, the City will take no action that would have the effect of reducing the City Net New Sales Tax Increment from the Property in accordance with this Agreement. The City Net New Sales Tax Increment does not include (a) amounts subject to valid claims for refunds, paid into certain rebated funds, as determined by a court of competent jurisdiction or as deemed proper in the City’s sole discretion, and (b) the reasonable and necessary costs and expenses of collecting the City Net New Sales Tax Increment.

3.4. Reporting. The Authority shall annually provide a written report to the City on progress towards completion of the Improvements included in Exhibit B. The report shall include information related to any significant changes in the Urban Renewal Project’s scope or cost.

4. PLEDGE OF CITY INCREMENT. The Parties acknowledge and agree that the City Increment is and shall be the Authority’s funds as provided in C.R.S. § 31-25-107(9)(a). As such, the City recognizes and agrees that in reliance on this Agreement and in accordance with the provisions of C.R.S. § 31-25-107(9)(b), the adoption and approval of the Plan may include an

irrevocable pledge of the City Increment to pay the Authority's financial obligations in connection with the Urban Renewal Project.

5. NO OBLIGATION TO APPROVE URBAN RENEWAL PLAN. The Authority acknowledges and agrees that the approval of this Agreement by the Fort Collins City Council (the "Council") shall not bind or obligate the Council in any way to approve the Urban Renewal Plan or prevent the Council from denying approval of the Urban Renewal Plan as it is authorized to do under the Act in its sole discretion. The Authority also acknowledges and agrees that the Council's prior approval of the Urban Renewal Plan under the Act shall be a condition precedent to the enforcement of this Agreement. The Parties also agree that in the event of any conflict between the provisions of this Agreement and the Urban Renewal Plan approved by the Council, the provisions of the Urban Renewal Plan shall control.

6. MISCELLANEOUS.

6.1. Delays. Any delays in or failure of performance by any Party of its obligations under this Agreement shall be excused if such delays or failure are a result of acts of God; fires; floods; earthquake; abnormal weather; strikes; labor disputes; accidents; regulation or order of civil or military authorities; shortages of labor or materials; or other causes, similar or dissimilar, including economic downturns, which are beyond the control of such Party.

6.2. Termination and Subsequent Legislation or Litigation. In the event of termination of the Plan, including its tax increment financing component, the Authority may terminate this Agreement by delivering written notice to the City. The Parties further agree that in the event legislation is adopted or a decision by a court of competent jurisdiction after the effective date of this Agreement that invalidates or materially effects any provisions hereof, the Parties will in good faith negotiate for an amendment to this Agreement that most fully implements the original intent, purpose and provisions of this Agreement, but does not impair any otherwise valid contracts in effect at such time.

6.3. Severability. In case any one or more of the provisions contained in this Agreement or any application thereof, shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions of this Agreement, or any other application thereof, shall not in any way be affected or impaired thereby.

6.4. Entire Agreement. This instrument embodies the entire agreement of the Parties with respect to the subject matter hereof. There are no promises, terms, conditions, or obligations other than those contained herein; and this Agreement shall supersede all previous communications, representations, or agreements, either verbal or written, between the Parties hereto. No modification to this Agreement shall be valid unless agreed to in writing by the Parties.

6.5. Binding Effect. This Agreement shall inure to the benefit of and be binding upon the Parties and their successors in interest.

6.6. No Third-Party Enforcement. It is expressly understood and agreed that the enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the undersigned Parties and nothing in this Agreement

shall give or allow any claim or right of action whatsoever by any other person not included in this Agreement. It is the express intention of the undersigned Parties that any person or entity other than the undersigned Parties receiving services or benefits under this Agreement shall be an incidental beneficiary only.

6.7. No Waiver of Immunities. Nothing in this Agreement shall be construed as a waiver of the rights and privileges of the Parties pursuant to the Colorado Governmental Immunity Act, § 24-10-101, et seq., C.R.S., as the same may be amended from time to time. No portion of this Agreement shall be deemed to have created a duty of care which did not previously exist with respect to any person not a party to this agreement.

6.8. Amendment. This Agreement may be amended only by an instrument in writing signed by both Parties.

6.9. Parties not Partners. Notwithstanding any language in this Agreement or any other agreement, representation, or warranty to the contrary, the Parties shall not be deemed to be partners or joint venturers, and no Party shall be responsible for any debt or liability of any other Party.

6.10. Interpretation. All references herein to Bonds shall be interpreted to include the incurrence of debt by the Authority in any form consistent with the definition of "Bonds" in the Act, including payment of Eligible Costs or any other lawful financing obligation.

6.11. Incorporation of Recitals and Exhibits. The provisions of the Recitals and the Exhibits attached to this Agreement are incorporated in and made a part of this Agreement.

6.12. No Assignment. No Party may assign any of its rights or obligations under this Agreement. Any assignment or attempted assignment in breach of this Section 6.12 shall be deemed null and void and of no effect.

6.13. Section Captions. The captions of the sections are set forth only for the convenience and reference of the Parties and are not intended in any way to define, limit, or describe the scope or intent of this Agreement.

6.14. Execution in Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute but one and the same instrument.

6.15. Governing Law. This Agreement and the provisions hereof shall be governed by and construed in accordance with the laws of the State of Colorado.

6.16. No Presumption. The Parties to this Agreement and their attorneys have had a full opportunity to review and participate in the drafting of the final form of this Agreement. Accordingly, this Agreement shall be construed without regard to any presumption or other rule of construction against the Party causing the Agreement to be drafted.

6.17. Notices. Any notice required by this Agreement shall be in writing. All notices, demands, requests and other communications required or permitted hereunder shall be in writing,

and shall be (a) personally delivered with a written receipt of delivery; (b) sent by a nationally-recognized overnight delivery service requiring a written acknowledgement of receipt or providing a certification of delivery or attempted delivery; (c) sent by certified or registered mail, return receipt requested; or (d) sent by confirmed facsimile transmission or electronic delivery with an original copy thereof transmitted to the recipient by one of the means described in subsections (a) through (c) no later than 5 business days thereafter. All notices shall be deemed effective when actually delivered as documented in a delivery receipt; provided, however, that if the notice was sent by overnight courier or mail as aforesaid and is affirmatively refused or cannot be delivered during customary business hours by reason of the absence of a signatory to acknowledge receipt, or by reason of a change of address with respect to which the addressor did not have either knowledge or written notice delivered in accordance with this paragraph, then the first attempted delivery shall be deemed to constitute delivery. Each Party shall be entitled to change its address for notices from time to time by delivering to the other Party notice thereof in the manner herein provided for the delivery of notices. All notices shall be sent to the addressee at its address set forth in the Preamble to this Agreement.

6.18. Days. If the day for any performance or event provided for herein is a Saturday, a Sunday, a day on which national banks are not open for the regular transactions of business, or a legal holiday pursuant to C.R.S. § 24-11-101(1), such day shall be extended until the next day on which such banks and state offices are open for the transaction of business.

6.19. Precedent. The Parties agree that this Agreement is entered into for the specific Plan described herein.
