

RESOLUTION 86-147
 OF THE COUNCIL OF THE CITY OF FORT COLLINS
 APPROVING ADDITIONAL PROJECTS FOR
 THE 1986-87 COMMUNITY DEVELOPMENT BLOCK GRANT
 PROGRAM FOR THE CITY OF FORT COLLINS

WHEREAS, the City of Fort Collins Community Development Block Grant ("CDBG") Program is an ongoing grant administration program funded by the Department of Housing and Urban Development; and

WHEREAS, the City's CDBG Program has been granted an additional \$116,000 of Entitlement Grant funds for Fiscal Year 1986-87; and

WHEREAS, staff has prepared the following recommendation for expenditure of these additional funds:

RECOMMENDATION

AMOUNT	PROJECT

\$ 30,000	Westside Neighborhood Plan Due to the recent completion of the Eastside Neighborhood Plan and the soon to be started Central Business District Plan, staff feels there is a strong need to do a neighborhood plan for the residential neighborhood west of downtown (including the Holy Family Neighborhood Strategy Area). The CDBG Policies Plan indicates that neighborhood plans should be completed for all three CDBG Neighborhood Strategy Areas.
66,000	Downtown Housing Rehabilitation With the recent redevelopment efforts in the downtown and the concerns expressed to the City Council during the allocation of CDBG funds in June, there obviously is a need to supply low and moderate income housing in the downtown area, particularly of emergency shelter and single room occupancy. The CDBG Policies Plan indicates a high priority for housing and housing rehabilitation projects.
20,000	Contingency Funds Funds presently allocated for contingency in the FY 1986-87 CDBG Program are highly dependent on anticipated program income. Staff feels additional funds are warranted for the contingency line item.

\$116,000	Total

and presented this recommendation to the Community Development Block Grant Citizens Steering Committee; and

WHEREAS, the Steering Committee approved the recommendation; and

WHEREAS, it is necessary that the City Council formally approve the recommended expenditure for the additional CDBG Entitlement Grant Funds.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FORT COLLINS that the City of Fort Collins' 1986-1987 Community Development Block Grant application be amended to include the following:

ENTITLEMENT GRANT

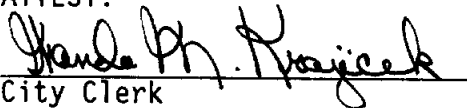

AMOUNT	PROJECT
\$ 30,000	Westside Neighborhood Plan
66,000	Downtown Housing Rehabilitation
20,000	Contingency Funds
\$116,000	Total

Passed and adopted at a regular meeting of the City Council held this 2nd day of September, A.D. 1986.
