

To The Honorable City Council of the City of Fort Collins, Colorado:---

We, the undersigned, owning all of the property fronting on College Avenue in Blocks 23, 6 and 4 of the City of Fort Collins, Colorado, would respectfully represent as follows, to-wit;

That said avenue in front of said blocks is platted of a width of 180 feet, being 40 feet wider than the general width of said avenue.

That said width is greater than is needed for any practical purpose and entails upon said City a large unnecessary expense for maintenance which expense must greatly increase as said City increases in growth.

Wherefore, we would respectfully pray that the width of said avenue in front of said blocks be re-established, and that it be reduced to a width of 140 feet as far north as the north side of the railway right of way crossing said avenue between said blocks, said eastern boundary of said avenue to be 140 feet from the present western boundary of said avenue, and that it be reduced north of said railway right of way by an eastern boundary line drawn from a point on the northern line of said railway right of way 140 feet east from the present western boundary of said avenue and extending in a direction east of north to the north-west corner of said Block 4, and that the strip of land East of said avenue as straightened lying along said Blocks 6 and 4, be vacated.

Property Owner.
