RE: Address Change Memorandum

DATE: September 17, 2009

Due to the intersection realignment of Drake Rd and Ziegler Rd, the address of the Environmental Learning Center will now change. The Environmental Learning Center (ELC) had previously held an address of **2400 Ziegler Rd**. However, now that Ziegler Rd separates from South County Road 9 before it meets Drake Rd, the Environmental Learning Center's street address needs to change as well. The new address of the ELC will now be **2400 South County Road 9**.

Hereafter: The Environmental Learning Center will no longer carry the address of **2400 Ziegler Rd**, but instead will now be using the address of **2400 South County Road 9**.

Please update your records to reflect this change.

Thank you for your cooperation.
