All comments must be received by:

Wednesday, July 5, 2000

General Comments

- ◆ See redlined comments on all sheets of site plan. More specific comments will be mentioned below.
- ◆ The enclosed lease area is on a blanket utility, access and drainage easement, which shall be vacated prior to public hearing (or in the process at the same time).
- ◆ A right-of-way permit (excavation permit) will be needed prior to commencement of work within the right-of-way.
- ◆ The applicant shall provide the city a recorded copy of all privately arranged easements.

Date: 7/5/00 Signature: Mark McCallum
