RE: Address Change Memorandum

DATE: November 22, 1999

It has been brought to my attention that an address change made several years ago is causing confusion. To clarify this, it should be noted that the combined Lots 4-5 in the **Frey Subdivision** (FC ref. F-4 #110) were separated and a dwelling was placed on Lot 5. Because of the way the block had previously been addressed assigning an address for Lot 5 impacted the addresses for Lots 6 and 7.

The address for Lots 6-7 *was* 1810 West Mountain Avenue however with the need for an address for Lot 5, incrementing by four to 1812 West Mountain Avenue, created a situation where the addresses did not increase logically to the end of the block. For this reason the addresses for the three Lots were modified.

Be it known: That the address for **Lot 5 Frey Subdivision** is **1812 West Mountain Avenue**.
The address for **Lot 6-7 Frey Subdivision** is **1820 West Mountain Avenue**
with an address of 1816 to be added at some later date for Lot 6 should it be necessary.

Please change your records to reflect this change.

Thank you for your cooperation.
