1. Call Meeting to Order.
2. Review of Build out Options for Future Parks, Associated Operation and Maintenance (O&M) Costs and Funding Options. (2 hour discussion)

At a September 2007 work session, staff reported to Council the results of the public outreach process for the Parks and Recreation Policy Plan update. Council asked staff to develop three options for developing future parks, with different O&M funding needs. Staff has developed these options (Current, Reduced and Austere) and options to fund maintenance of future parks. The purpose of this work session is to review the park build out and maintenance funding options. The complete plan update will be considered by Council in the next few months.
