BACKGROUND:

The Keating First Annexation is approximately 11.27 acres in size, located north of Trilby Road and west of Timberline Road. The site is currently zoned FA1 – Farming in Larimer County. A combined Annexation Impact Report for this annexation as well as the adjacent annexation to the east was forwarded to the Board of County Commissioners on February 12, 1999.

This is a voluntary annexation, located within the Urban Growth Area (UGA) of the City of Fort Collins. The City may annex property located within the UGA provided that the property has 1/6 contiguity with the existing City limits. The Keating First Annexation and Zoning complies with this standard since the property has 638.72 feet of its total boundary of approximately 3,832.29 feet contiguous to the existing City limits. This meets the minimum 639.70 feet required to achieve 1/6 contiguity.

Contiguity to existing City limits is gained from the common boundary to the west from the Union Pacific South Fourth Annexation (May 1988).

The surrounding zoning and land uses as follows:

- N: FA1 - Farming District in Larimer County - existing large acreage residential
- S: FA1 - Farming District in Larimer County - existing large acreage residential
- E: FA1 - Farming District - existing agricultural
- W: RL Low Density Residential in the City of Fort Collins - single family residential (Paragon 1 and 2)

Zoning and Analysis:

The property is currently zoned FA-1 Farming District in Larimer County. The requested zoning for this annexation is the LMN - Low Density Mixed Use Neighborhood District. There are numerous uses permitted in this District, subject to administrative review or review by the Planning and Zoning Board. The City's adopted Structure Plan, a part of the Comprehensive Plan, suggests that a Low Density Mixed Use Residential Neighborhood is appropriate for this location.

Staff is recommending that this property be included in the Residential Neighborhood Sign District, which was established for the purpose of regulating signs for non-residential uses in certain geographical areas of the City which may be particularly affected by such signs because of their predominantly residential use and character. A map amendment would be necessary to place this property on the Residential Neighborhood Sign District Map.

PLANNING AND ZONING BOARD RECOMMENDATION:

On February 18, 1999, the Planning and Zoning Board, by a vote of 7-0, recommended that the Council approve the request for annexation and approve the zoning of **LMN – Low-Density Mixed Use Neighborhood**.
