SUBJECT:

Resolution 99-18 Adopting the Recommendation of the Cultural Resources Board Regarding Fort Fund Disbursements.

RECOMMENDATION:

Staff recommends adoption of the Resolution.

EXECUTIVE SUMMARY:

On November 30, 1998 revised guidelines for the Cultural Development & Programming and Tourism accounts (Fort Fund) were adopted and approved by the City Manager. These newly adopted guidelines created a three-tiered funding system for organizations that apply for grants from Fort Fund. Tier #1 was established as an annual programming fund for organizations with a primary purpose of presenting three or more public events annually. These groups may apply for funding from Tier #1 each April. Tier #2 allows organizations that are not eligible for Tier #1 support to apply for funding of events that are not fund-raising in nature and do not generate more than \$2,500 in proceeds after expenses. Tier #3 allows organizations that are not eligible for Tier #1 support to apply for funding of events that generate more than \$2,500 in proceeds after expenses and are fund-raising in nature. Applications for Tier #2 and Tier #3 grants are accepted each January and June.

The following disbursements from funds in the City's Cultural Development and Programming and Tourism accounts for Tier 2 and Tier 3 grants were recommended by the Cultural Resources Board at its regular meeting of January 27, 1999, and special meeting of February 3, 1999. Next to each event is an indication of the Tier (either #2 or #3) under which the organization applied for funding.
