● CALL TO ORDER.

1. Keep Fort Collins Great (KFCG) Sunset. (staff: Ginny Sawyer; 15 minute staff presentation; 45 minute discussion)

The purpose of this item to discuss the 2020 sunset of the Keep Fort Collins Great (KFCG) tax. KFCG is a .85-cent voter approved dedicated tax that will sunset December 31, 2020. April 2019 is the anticipated election for a potential ballot related question to address funding needs. Since 2011, KFCG has funded basic operations and enabled the City to both maintain a desired level of service and respond to community desires in an environment of population growth and annual inflation. Prior to the 2020 sunset of KFCG, the City would like to fully engage the community in the decision of how to fund current service levels or make alternative plans for a lower service level at a lower cost. If the desire is to replace KFCG funds in full this can be achieved through a dedicated tax, an increase to the on-going base rate, or a combination of these. If the base rate is increased it can be done either with or without taxing groceries. If City Council or the community ultimately decide NOT to replace KFCG revenue in full then reduced levels of service from the general fund will need to be identified.

2. City Plan Update - Scenarios. (staff: Ryan Mounce, Cameron Gloss; 10 minute staff presentation; 45 minute discussion)

The purpose of this item is to update Council on the upcoming scenarios phase of City Plan. Staff will review the purpose, goals, and general direction of the three scenarios as well as communication and engagement strategies for discussing the scenarios with the community.

3. Sign Code Update Phase 2. (staff: Noal Beals; 10 minute staff presentation; 45 minute discussion)

The purpose of this item is to present a draft of the proposed Sign Code amendments.
