City Council Work Session October 9, 2018

After the Adjourned Council meeting, which begins at 6:00 PM

- **CALL TO ORDER.**

1. 2019-2020 Recommended Budget Work Session #3.

The purpose of this work session is to review the City Manager's 2019-2020 Recommended Budget that was delivered to City Council and the City Clerk on August 31, 2018 pursuant to provisions of Article V, Section 2 of the City Charter. This is a continuation of the overall budget discussion and outcome review items discussed at the September 11 and October 1 work sessions. Two public hearings to gather input from the community about the 2019-20 Budget have also been completed.

The Recommended Budget is aligned with the City's 2018 Strategic Plan, the Council Priority Dashboard and community priorities. It was put together based on input from citizens, staff and the City's executive leadership team. Through continued expanded community outreach, residents have had opportunities to provide input on the specific Offers (budget requests) under consideration.

At the October 9, 2018 Work Session, staff will be looking for guidance as to the changes to the City Manager's Recommended Budget that Council would like to have incorporated into First Reading on November 6.
