# City Council Work Session January 22, 2019

(After the Adjourned Council Meeting, which begins at 6:00 PM)

● **CALL TO ORDER.**

- 1. Keep Fort Collins Great Sunset. (staff: Ginny Sawyer, 10 minute presentation; 45 minute discussion)

The purpose of this work session is to present Council with options for renewing/maintaining Keep Fort Collins Great revenue once the 0.85 tax sunsets on December 31, 2020.

April 2019 is the anticipated election for a potential ballot related question to address funding needs.

- 2. Occupancy Study. (staff: Ginny Sawyer, 20 minute presentation; 60 minute discussion)

The purpose of this item is to present and review the report and findings from the Occupancy Study.

- 3. Outdoor Residential Wood Burning. (staff; Cassie Archuleta, 15 minute presentation; 45 minute discussion)

The purpose of this item is to discuss a regulatory option to support a goal of allowing wood burning fires in residential areas that do not negatively impact neighbors. Periodically, the City and Poudre Fire Authority (PFA) are contacted regarding nuisance, health and safety concerns from wood smoke in residential areas. This item was identified as a Council priority May 2017, and staff received direction October 2018 to develop a regulatory option that did not ban residential wood fires, but still addressed fires that negatively impact neighbors. Additional direction will be sought regarding adoption of a permit system that allows outdoor residential wood burning with a permit, where permit conditions are designed to mitigate potential smoke impacts on neighbors.

● **OTHER BUSINESS.**

● **ADJOURNMENT.**
