SUBJECT

Resolution 2003-135 Approving the Purchase of Animal Control Services from the Larimer Humane Society for 2004 as an Exception to the Competitive Purchasing Process.

RECOMMENDATION

Staff recommends adoption of the Resolution.

FINANCIAL IMPACT

The proposed 2004 contract contains a negotiated cost to the City of Fort Collins for animal control services in the amount of \$596,361, paid in monthly installments of \$49,696.75. Funds for the contract are authorized in the 2004 budget of Police Services. The contract is renewable for 2005, but the cost for 2005 has not yet been determined.

EXECUTIVE SUMMARY

The City of Fort Collins has contracted with the Larimer Humane Society for animal control services for nearly 20 years. The contract requires the Larimer Humane Society to provide a variety of specialized equipment and personnel necessary to provide animal control services to the City of Fort Collins; to operate a shelter facility, to provide emergency veterinary care; to dispose of dead animals; to respond to animal-related calls for service; to enforce City ordinances pertaining to animals; the administration of a pet licensing program and to provide accurate quarterly reports to City staff. There is no other known organization, entity or individual currently capable of performing these services.

The City of Fort Collins relies on the Larimer Humane Society to address animal-related issues within the City limits and it remains dedicated to providing professional animal control services to the City. Adoption of this Resolution will allow this contractual relationship to continue.

RESOLUTION 2003-135
OF THE COUNCIL OF THE CITY OF FORT COLLINS
APPROVING THE PURCHASE OF ANIMAL CONTROL SERVICES FROM THE
LARIMER HUMANE SOCIETY FOR 2004
AS AN EXCEPTION TO THE COMPETITIVE PURCHASING PROCESS

WHEREAS, Section 8-161(d)(1)(a) of the Code of the City of Fort Collins authorizes the Purchasing Agent to negotiate the purchase of supplies and services without utilizing a competitive bidding process where the Purchasing Agent determines that only one responsible source exists; and

WHEREAS, the Purchasing Agent has determined that the Larimer Humane Society is the only responsible source for adequate professional animal control enforcement, public education, animal shelter and related care, transportation of animals, and pick up and disposal of dead animals; and

WHEREAS, the Purchasing Agent has submitted the requisite justification for such determination to the City Manager for approval; and

WHEREAS, the City Manager has reviewed and approved the justification for this service; and

WHEREAS, the cost to purchase such services is \$596,361 for 2004; and

WHEREAS, Section 8-161(d)(3) of the City Code requires approval of this purchasing method by the City Council for items costing more than One Hundred Thousand Dollars (\$100,000) prior to acquisition; and

WHEREAS, under Section 8-161(d)(4) of the City Code a procurement approved under Section 8-161(d) of the City Code may be used as the basis for a negotiated purchase of additional quantities of the same materials or services within a period of five (5) years from the date of approval, although such subsequent procurements may be limited to a specific number of purchases or a period less than five (5) years.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FORT COLLINS as follows:

Section 1. That the Council hereby approves, as an exception to the City's competitive purchasing process, the purchase of animal control services for 2004 from the Larimer Humane Society for the operation and management of the animal shelter, including the maintenance and operation of all physical plant facilities necessary for the efficient operation of said shelter; the provision of necessary personnel trained in the area of animal control; the provision of uniforms to all animal control enforcement officers; and the provision of humane and modern vehicles for the safe transportation of animals for a total payment of FIVE HUNDRED AND NINETY SIX THOUSAND THREE HUNDRED AND SIXTY ONE DOLLARS (\$596,361) in 2004 together with retained impoundment and license fees.

Section 2. That the Purchasing Director may use this approval as the basis for negotiating the additional purchase of animal control services from the Larimer Humane Society for 2005.

Passed and adopted at a regular meeting of the Council of the City of Fort Collins held this 2nd day of December, A.D. 2003.

Such personnel shall diligently enforce the provisions of Chapter 4 of the City Code pertaining to animals and insects according to the schedule of enforcement in paragraph 4. below and consistent with all other terms and conditions of this Agreement. Further, such personnel shall be authorized, by commission, to serve summons and complaints to be filed in the Municipal Court of the City of Fort Collins. It is specifically understood that the personnel of the Society, duly commissioned pursuant to this Agreement, shall not be entitled to enforce any ordinance of the City other than those provided for and authorized by the commissions issued by the Chief of Police of the City. Any costs related to the commissions will be the responsibility of the City.

4. Schedule of Enforcement.

- a. The Society shall schedule and maintain personnel to perform the duties of animal control officers within the City of Fort Collins in accordance with the following schedule: Monday through Friday, 8:00 A.M. - 8:00 P.M.; Saturday and Sunday, 8:00 A.M. - 6:00 P.M. Hours of coverage may be adjusted to address

changing needs as necessary by mutual written consent of the Chief of Police and the Society.

- b. The Society shall provide emergency services after the regular hours listed above. The following shall constitute an emergency:
 - 1) An injured animal. The Society will attempt to give emergency veterinary treatment to all injured animals. Pet Animals, which in the opinion of a veterinarian or authorized Society employee, if a veterinarian is not available, are experiencing extreme pain or suffering, may be disposed of immediately through euthanasia after the Society has exhausted reasonable efforts to contact the owner, pursuant to Sec. 35-80-106.3 of the Colorado Revised Statutes.
 - 2) An animal acting in an aggressive manner.
 - 3) An animal whose owner has been detained by law enforcement officials or any governmental agency and whose welfare depends on being placed into protective custody.
 - 4) When other solutions can't be found, pick up domestic animals in custody.
 - 5) Upon approval from the Society's executive director or authorized representative, any other situation reasonably deemed to be an emergency by Fort Collins Police Services and reasonably related to the services to be provided hereunder.
 - c. Personnel assigned to enforcement of City animal control ordinances pursuant to this Agreement and the above schedule shall be required to remain within the City during the assigned work schedule, only leaving the City limits when necessary to return to the Society's animal shelter. However, such personnel may also leave the City limits to assist with animal control emergencies occurring within the boundaries of the City's Urban Growth Area.
 - d. The Society shall be allowed to choose ten (10) days per year on which calls relating to animal control will be handled on an emergency basis only. The Fourth of July will not be designated as a holiday due to the many animal-related problems that occur on that day.
5. Operation of Shelter. In operating the animal shelter for and on behalf of the City, the Society shall:
- a. Conduct the operations of said animal shelter within and upon the property known as 6317 Kyle Avenue, Larimer County, Colorado.

- b. Maintain and operate all physical plant facilities and equipment necessary for the efficient, effective, and humane operation of an animal shelter in compliance with State law and ordinances of the City. The Society shall also comply with existing administrative directives of the City and shall also comply with all future administrative directives of the City as may be agreed to by the Society and the City Manager, relative to animal control services and operating an animal shelter.
- c. Maintain such facilities of the Society as are needed or are used in any way, manner, or form in connection with the operation of the animal shelter in a clean, sanitary condition.
- d. Establish, keep and maintain a daily register of all animals impounded by the City animal control officers and released from the animal shelter and a case history of each animal impounded in and released from the animal shelter, all on forms mutually agreeable to the parties of this Agreement. Such registry shall meet any applicable requirements of the Code of the City of Fort Collins.
- e. Provide any services, facilities, or equipment deemed necessary or appropriate to ensure that the animal shelter shall be operated in an efficient, effective, humane, and economical manner.
- f. The Society shall not release or otherwise dispose of any animal impounded at the animal shelter by the City or pursuant to City ordinances under the terms of this Agreement unless and until all impoundment periods prescribed by the Code of the City of Fort Collins have been satisfied, except as otherwise provided by law, including but not limited to C.R.S 35-80-106.3, or other terms of this agreement, including but not limited to paragraph 4.b.
- g. In the event any animal is held for the purpose of observation for the presence of rabies, the animal shall be quarantined for such time as directed by the City animal control officer, which time shall not be less than ten (10) days or such greater time as may be provided in the Code of the City of Fort Collins. Any compensation received by the City from an owner for the holding of an animal as provided in this paragraph shall be paid to the Society at the same time as the monthly installments as indicated in paragraph 10.a. below.
- h. No animal shall be released by the Society to its owner unless all requirements of the Code of the City of Fort Collins, including payment of impoundment fees have been complied with. For the purposes of this section only, acceptance of a promissory note by the Society shall constitute payment of fees pursuant to Section 4-140 of the Code of the City of Fort Collins. With regard to the collection of impoundment fees only, this section is specifically not applicable to the release of animals taken into protective custody by the Society pursuant to the internal policies of the Society. However, since fees collected by the Society and any promissory notes accepted by the Society in lieu of payment are applied against costs assessed to the City for animal control services, the Society will

record which fees have been waived by the Society and all promissory notes accepted by the Society and will credit the City for the amount of those fees and promissory notes to be applied to the subsequent year's animal control service costs or refunded to the City in the event that the contract is not renewed.

i. The Society shall submit reports on a quarterly basis and an annual summary to the Director of Finance and the Budget Director for the City, with a copy to Police Services, at P.O. Box 580, Fort Collins, Colorado, 80522, listing the following information in regard to the previous quarter:

If a tranquilizer gun is to be used, Fort Collins Police Services shall be notified of such intention. The tranquilizer gun shall not be used if Police Services so directs. Officers employed by the Society are authorized to carry bite sticks and chemical agents for self-defense against vicious animals, however, officers must receive the appropriate training in the use of these devices prior to carrying them.

The Society shall not, however, be liable for the acts, claims, or demands which may arise from the negligent acts of the City, its officers, elected or appointed, and the departments thereof, nor for acts, claims or demands based upon the operation of the animal shelter by the Society in compliance with instructions or orders given to the Society by authorized agents of the City, and the City shall hold the Society harmless therefrom to the extent permitted by law and subject to any notice requirements, defenses, immunities, and limitations to liability that the City, and its officers and employees, may have under the Colorado Governmental Immunity Act (Section 24-10-101, C.R.S., et seq.) and to any other defenses, immunities, limitations to liability available to the City and its officers and employees under the law.

- k. If, in any year, the parties are unable to reach an agreement for the next year by the end of the year covered by this Agreement or a renewal Agreement, or if contractual arrangements with a different animal control provider are not finalized by the end of the year covered by the Agreement or a renewal Agreement, then the City shall pay to the Humane Society a monthly fee equal to the current

monthly rate plus 3 percent of such rate per month for the three month automatic extension period.

- i. That if either party materially breaches any provision of this Agreement, the non-breaching party shall provide to the breaching party notice of such breach and further provide to the breaching party a reasonable opportunity to correct the breach. If the breach is not corrected within thirty (30) days or such longer period of time as may be reasonable under the circumstances, the non-breaching party may terminate this Agreement upon notice to the breaching party. - c. The Society agrees to make its financial records available when necessary to the City for the purposes of conducting an audit or for the purpose of reviewing the Society's performance of the terms of this Agreement. Such audit or review shall be conducted during normal business hours of the Society and conducted on the Society's premises.
- d. The City may cause an independent audit to be performed by a competent external auditor at the sole cost of the City. The auditor shall perform an audit of the Society to determine its compliance with the terms of the Agreement.
- e. The Society shall cause an independent accounting audit to be performed by a certified public accountant on an annual basis at the sole cost to the Society. A copy of the audit will be available to the City in the first quarter of the calendar year. The Society agrees to make its financial and/or statistical records available when necessary to the City for the purpose of reviewing the Society's performance of the terms of this agreement. Such audit will be conducted during

normal business hours of the Society, conducted on the Society's premises, and will be at the sole cost of the City.
