Advanced Meter Fort Collins.

Stay Informed.

You can always find the latest information on the project website at fcgov.com/advancedmeter or by calling us at (970) 212-2900.

Fort Collins Utilities is set to begin installing digital electric meters and water meter devices in your area. Corix, our installation partner, will be working in your neighborhood.

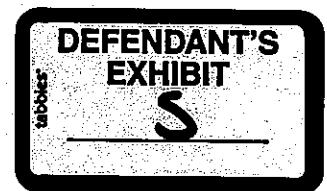

All installers will be wearing photo identification, and vehicles will be clearly marked with Corix and City of Fort Collins logos.

At the time of installation, an installer will knock on your door to let you know the new equipment is being installed.

You don't need to be home, but access to the meter is required. Please unlock gates and restrain dogs or put them inside.

Once installation is complete, a notice will be left at your door.

Installation Process.

PO Box 580
Fort Collins, CO 80522

Electric Meters.

- Installation takes a few minutes, with a brief interruption in electric service. During the installation, make sure any sensitive electronic equipment, such as a personal computer, is turned off. Please notify us in advance about any home medical devices or home business needs. Call (855) 284-1126.
- If installation cannot be completed, you'll find a notice on your door with rescheduling information.

Water Meter Devices.

- Following electric meter installation, the water meter device, located on the exterior of your home, will be replaced.
- Installation takes a few minutes, with no interruption to your water service.
- If installation cannot be completed, you'll find a notice on your door with rescheduling information.

Commercial Customers.

For your convenience, we encourage you to call and schedule a time for electric meter installation.

Please call (855) 284-1126,
Monday–Friday, 6 a.m.–5 p.m.,
Saturday, 7 a.m.–5 p.m.
